**SUBJECT: Reduce Speed Limit on Todd Road**

Public Works Department Director Frank Abart stated he reviewed conditions on Todd Road at the request of a citizen. The current speed limit is 35 miles per hour. The road is narrow with sight distance problems. The dead end road is approximately .65 miles long. Mr. Abart recommended the speed limit on the road be reduced to 25 miles per hour.

Following discussion of the location of the road, Commissioner Vogt moved that the County Commission of the County of Boone reduce the speed limit on Todd Road from 35 miles per hour to 25 miles per hour.

Commissioner Miller seconded the motion. Motion passed unanimously. **Order 414-96.**

The exception is a minor technicality and is being waived. The amount of the award is \$70,740. The County Commission does hereby approve, and authorize the Presiding

Commissioner to sign, the attached agreement and the fixed asset disposal form for the 1968 Chrysler MLT-6CH 4WD Rough Terrain wheel loader which will be traded in.
