**D. First Reading of “NO Parking” Sign Request**

Greg Edington, Maintenance Operations Manager, was present on behalf of this item.

Greg Edington stated he was approached by Captain Dwayne Carey of the Sheriff’s Department, Commissioner Elkin, and the Fire District about a parking problem on Mexico Gravel Road between the hours of 10:00 p.m. to 6:00 a.m. There are concerns of cars parking on both sides of the road and on the subdivision roads, that frequent a nightclub in the area. This was causing problems for emergency workers to get to an emergency situation. Limiting parking is the best solution to the problem. The department is requesting “NO Parking” on Mexico Gravel.

Commissioner Miller stated there are no shoulders on the road. Mr. Edington stated the road is twenty feet wide. Even allowing parking on one side would restrict access. Also, the department is requesting “NO Parking” on the subdivision roads.

Commissioner Miller asked if the residents on Billy Jean Drive and Lawrence Drive need the parking on the street. Commissioner Elkin stated this “NO Parking” would be for after hours only. Mr. Edington stated the “NO Parking” would be limited in the subdivision from 10:00 p.m. to 6:00 a.m. He has driven both roads and there is no one who parks on the road, they all have long driveways.

Commissioner Miller stated she was concerned about the need, if there was any, for the residents parking on the streets. She believes there should be a memo sent to the houses on Billy Jean Drive and Lawrence Drive to make them aware of what is going on.

Commissioner Elkin stated he would send out a letter today.

Commissioner Stamper stated this is a first reading and requested the Deputy County Clerk to schedule this item for a second reading at the next available meeting with an appropriate order for approval.

**Subject: Second Reading and Approval of Agreement with Boone County Group Homes and Family Support**

Commissioner Miller stated this agreement is to give some structure to the budget, allow John Patton, County Counsel, to work with the Group Homes and the County to recoup the funds.

Commissioner Miller moved to approve the legal services cooperative agreement between the County of Boone and Boone County Group Homes and Family Support.

Commissioner Elkin seconded the motion.

There was no discussion and no public comment.

The motion passed 3-0. **Order 129-2002**

**Subject: Clerk's Office – First Reading of Budget Revision**

Commissioner Miller asked if the County usually uses emergency funds at the end of the year for unemployment. Shawna Victor, Deputy County Clerk, stated she was told there are usually funds left over but because there has been more unemployment claims, a budget revision is needed.

Commissioner Stamper stated the Commission has received a budget revision to transfer \$3,699.00 from the emergency fund to the unemployment fund. The purpose of the transfer is to pay for 4<sup>th</sup> quarter (2001) unemployment.

Commissioner Stamper stated this is a first reading and requested the Deputy County Clerk to schedule this item for a second reading at the next available meeting with an appropriate order for approval.

**Subject: Rescind Commission Orders**

**A. Portion of Commission Order 73-2002 (Boone County Soil and Water Conservation District) and Approve New Contract**

Commissioner Elkin stated the reason for the rescission of the original contract is that the original contract stated the District would provide the County with 64 plat books every

year. The correction is every time plat books are published, which is every three years.

Commissioner Elkin moved to rescind the Boone County Soil and Water Conservation District portion of Commission Order 73-2002 and approve a new agreement between the County of Boone and the Boone County Soil and Water Conservation District.

Commissioner Miller seconded the motion.

There was no discussion and no public comment.
