March Session of the February Adjourned Term. 20 01

In the County Commission of said county, on the 15<sup>th</sup> day of March 20 01

the following, among other proceedings, were had, viz:

Now on this day the County Commission of the County of Boone does hereby approve the following amendment to the Personnel Policies of the County of Boone:

### 3.10: SHIFT DIFFERENTIAL

Shift differential as outlined in this policy applies only to normally or regularly scheduled hours.

**Non-exempt employees are eligible for shift differential for hours worked during the evening and night or for hours worked on an official county holiday or weekend (i.e., Saturday or Sunday). An employee must work the scheduled hours in order to receive the shift differential.**

Employees will receive the hourly shift differential amount approved in the annual budget for a scheduled shift that begins on or after 2:00 p.m. and before 6:00 a.m. Scheduled hours that begin on or after 6:00 a.m. and before 2:00 p.m. are not eligible for shift differential. *Shift differential does not apply in situations where an employee is required to work additional hours beyond their normal schedule on a periodic scheduled or unscheduled basis (e.g., to cover an evening/night meeting, election workers on election night, for snow removal, etc.)*

A shift beginning anytime during a holiday or weekend would qualify for the differential. An employee will only be paid for one shift differential.

Shift differential will be included in calculating overtime compensation as required by the Fair Labor Standards Act.

If the Administrative Authority re-arranges the work schedule to include evening and night hours in order to accommodate the employee, the County is not required to provide shift differential.
