THE CITY OF ASHLAND, MISSOURI

July 24, 2008

Boone County Commission
 Roger B. Wilson Gov. Center
 801 E. Walnut, Room 245
 Columbia, MO 65201

Honorable Commissioners Pearson, Miller, and Elkin:

The city of Ashland is requesting a Commission Order be granted to release revenue sharing funds that were granted in 2006 and 2007 to be used on the 2008 project.

The grant amounts are as followed:

2006 Balance remaining	\$38,282.60		
2007 Balance remaining	\$80,000.00	Total	\$118,282.60

The project we will be working on is widening Henry Clay from East Red Tail north to Liberty Lane. This project is planned to accommodate increase traffic in front of the school and to improve general traffic congestion during peak times. This project also includes pedestrian trails on both sides of the road to accommodate increase of non vehicle traffic along the route.

The city plans to go to construction at the end of August for a completion date around the first of November.

Please let me know if you need additional information on this request or the project in general.

Sincerely,

A handwritten signature in black ink, appearing to read "Chris Heard", is written over a white background. The signature is fluid and cursive, with a long horizontal stroke at the end.

Chris Heard
