Boone County Sheriff's Department and the Columbia Police Department

FY 2014 Edward Byrne Memorial Justice Assistance Grant: 2014-H1539-MO-DJ

Program Narrative:

This is a joint application on behalf of the County of Boone and the City of Columbia, Missouri. This application is submitted for the FY 2014 Edward Byrne Memorial Justice Assistance Grant Program: Local Solicitation.

Since this is a joint application, the funding will support a variety of needs in Boone County, Missouri. This funding will be split two ways between the Boone County Sheriff's Department and the City of Columbia Police Department.

The County of Boone and the City of Columbia are routing an agreement through both governing bodies as certified disparate jurisdictions to divide the grant funds in a 40/60-split manner. The County of Boone, specifically the Sheriff's Department, has agreed to apply for the grant on behalf of both entities. Pursuant to this agreement, the County of Boone will receive \$18,494.40 (40%) of the total \$46,236.00 local award. The City of Columbia will receive the balance of \$27,741.60 (60%).

PROGRAM DESCRIPTIONS:

Columbia Police Department Digital Portable Radio Communications Program:

The City of Columbia Missouri is a growing community. The city has a population of over 112,000 people and encompasses more than 50 square miles. Columbia is home to several institutions of higher learning including, the University of Missouri, Columbia College and Stephens College. These institutions bring thousands of students to our community adding to our population.

The Columbia Missouri Police Department has the primary responsibility of policing the community. The Columbia Missouri Police Department employs over 160 commissioned officers that are faced with the day to day challenges of providing police services. Their duties require constant, reliable communications in various and sometimes hazardous environments. Radio communications often include safety information for public safety personnel responding to emergency situations. Durable, high-quality radio equipment is essential to maintain communication and critical for officer safety.

The Columbia Police Department has 100 portable radios currently being utilized that are well past the recommended life span and are slated for replacement. Part of our technology plan calls for the replacement of our remaining, aging radios. The amount of the radio purchase is beyond the funding of our current budget.

The Columbia Missouri Police Department's role in providing law enforcement service to the community hinges on efficient communications. Our department has determined the Motorola XTS 2500 Model 2 Digital Portable Radio is the most effective and efficient solution at maintaining and improving this service.

Standard Features and Benefits of the Motorola XTS 2500 Model 2 Digital Portable Radio

- It has a light-weight, compact design
- It has excellent durability
 - It can be submerged up to 1 meter for 30 minutes
 - It is dust proof
 - It meets all applicable military specifications
 - It has a special housing that protects against shock, vibration and other environmental hazards
- It offers several forms of encryption
- It offers different system interoperability platforms increasing inter-agency communications during emergency situations
- It has an electronic filter that separates voice from background noise
- It will continue to send an emergency signal even if the power is turned off.
- It is easily adaptable and expandable with program ability
- It has numerous accessories for specific job requirements such as
 - Wired headset
 - Bluetooth headset
 - Shoulder microphone/speaker

The Motorola XTS 2500 Model 2 Digital Portable Radio will not only meet the new FCC requirements that went into effect in 2013, but it will bring the Columbia Missouri Police Department up-to-date in communications technology. This new technology will greatly enhance our effectiveness in emergency situations that call for a multi-agency response. The ability to communicate in this way is important when situations develop that call for resources beyond what the City of Columbia can provide. This is possible because the radios will function with other radio systems that outside agencies such as the Boone County Sheriff's Department, Missouri State Highway Patrol and the University of Missouri Police Department currently operate on.

Last year we were able to purchase 11 new Motorola XTS 2500 Model 2 Digital Portable Radios using Byrne Grant funds. If funding is approved for this next grant cycle, the Columbia Police Department plans to purchase twelve (12) Motorola XTS 2500 Model 2 Digital Portable Radios through a competitive bid process created from previous radio purchases. This process helps ensure the funding is used efficiently and the cost of the services is appropriate.

Boone County Sheriff's Department Covert Surveillance Equipment Program:

Boone County Sheriff's Department All-In-One GPS Tracking device:

The Boone County Sheriff's Department Pro-active Investigation Unit currently uses a older model GPS tracking device. This request is for funding to purchase a new updated tracking device.

This request is for an updated device only. The software currently owned by the Sheriff's Department will be fully compatible with the new device.

A global positioning system (GPS) tracking device sends a radio signal to a computer network which records the location, and allows officers to monitor the location of the tracking device in real time. The tracking device can be placed on an item to be tracked and is self-contained. The tracking device cannot transmit or record images or voice (sound) information. The tracking device can only be used in a criminal investigation with a judge's order.

The current GPS device used by the Sheriff's Department is older technology and no longer supported by the manufacturer. The unit is showing it's age. For example, the volt meter on the device is no longer working properly so an accurate estimation of battery life remaining is difficult. The new unit will have newer, enhanced features.

If funding is approved, this GPS tracking device will enhance and improve our current capabilities. Some of the responsibilities of the Pro-active Investigations Unit include search warrant service, high risk arrest warrant service, drug distribution/manufacturing investigations, and other special operations. Surveillance and intelligence gathering are important aspects of most of these operations. Use of a GPS tracking device will supplement visual surveillance and other investigative techniques and will prevent suspects from detecting officers conducting visual surveillance. Better intelligence and surveillance creates better operational plans, stronger cases being sent for prosecution, and a greater margin of safety for everyone involved.

Boone County Sheriff's Department Covert Cellular Transmission and Recording System:

This funding request is for a cellular based audio surveillance system including a covert cellular device and a cellular repeater command unit.

This covert cellular transmission and recording system will give the Sheriff's Department the capability to covertly monitor and digitally record audio during investigations (during a drug deal for instance).

The Sheriff's Department does not currently have any equipment similar to this equipment. Our current equipment is many years old and based on old radio frequency (RF) analog technology. This is an older and somewhat outdated technology. The security and capabilities of this newer cellular based digital technology is a vast improvement over our older analog equipment.

If funding is approved, this cellular surveillance equipment will enhance and improve our current capabilities. Some of the responsibilities of the Pro-active Investigations Unit include search warrant service, high risk arrest warrant service, drug distribution/manufacturing investigations, and other special operations. Surveillance and intelligence gathering are a important aspect of most of these operations. Use of this cellular surveillance equipment will supplement and enhance other investigative techniques. Better intelligence and surveillance creates better operational plans, stronger cases being sent for prosecution, and a greater margin of safety for everyone involved.

Boone County Sheriff's Department Weapons Enhancement Program:

Boone County Sheriff's Department Weapons Mounted Flashlight:

The Boone County Sheriff's Department would like to utilize monies from the Justice Assistance Grant to finish purchasing weapon mounted flashlights to be utilized on patrol rifles. This would allow the department to equip all deputies issued a patrol rifle with a weapon mounted flashlight.

Over the last several years the Boone County Sheriff's Department has phased in patrol rifles for those within the Enforcement Division to include the School Resource Officers and Narcotics Investigators. This was done to better equip and prepare deputies to deal with the challenges they are facing. In looking at the 2013 year end statistical data for the Boone County Sheriff's Department, assault and domestic violence reports have basically held to consistent levels over the last 15 years. However, according to Uniform Crime Reporting stats from the Missouri State Highway Patrol's website law enforcement in Boone County is handling more incidents involving the use of firearms. This upward trend has more than doubled from 2004 to 2011.

Upon further analysis of data collected nationwide (source: Law Enforcement Officers Killed in Action report) over the last 10 years (2000-2010) shows that a greater number of law enforcement officers are killed or assaulted in the line of duty during low light/no light times of the day. With this in mind, the Boone County Sheriff's Department is working to standardize weapon platforms and equip department firearms with flashlights. In 2011 the department

utilized JAG funding to purchase accessory rail/mounting platforms for the patrol rifles. In order to complete this goal, the department would like to utilize JAG funding to purchase 15 weapon mounted flashlights for currently issued patrol rifles.

Boone County Sheriff's Department Weapons Training Conversion Kits:

If approved the Boone County Sheriff's Department seeks to utilize Justice Assistance Grant funding to purchase 4 simunition patrol rifle conversion kits to allow department personnel to conduct force on force training.

In 2013 the Boone County Sheriff's Department recognized a training deficiency with regard to force on force training. For several years the department has utilized simunition or marking rounds in handgun and shotgun configurations for training. However, force on force training with patrol rifles has not been addressed. In addition, the patrol rifle is also a primary entry weapon for the Special Weapons and Tactics team.

Force on force training is not a new concept and has been in use by law enforcement and the military for quite some time. Force on force training allows departments to train personnel in more realistic situations (scenarios) and with the weapons systems they use every day. Historically, law enforcement agencies have only conducted static firearms training. Force on force training consists of dynamic training scenarios. Allowing personnel to train on weapon malfunction drills, team work, decision making matrices, working through the effects of sympathetic nervous system reaction, tactics and techniques to name a few.

In addition, the Boone County Sheriff's Department is actively working with all local public safety agencies (law enforcement, fire, emergency medical services) to train all Boone County schools and first responders on how to respond to an active shooter or other critical incident. This model will all apply to any active shooter or critical incident throughout Boone County regardless of the location. The simunition kits would bring a more realistic aspect to the training

If approved this would allow the department to fully implement force on force training across all department issued firearm platforms and more training scenario opportunities.

Boone County Sheriff's Department Range Enhancement Program:

The Boone County Sheriff's Department would like to utilize monies from the Justice Assistance Grant to purchase a permanent 8 x 8.5 x 20 metal storage container for the departments shooting range. Currently the Boone County Sheriff's Department has one 8 x 8.5 x 20 metal storage container and one 8 x 10 temporary wooden shed to store paper targets, target sticks, lighting supplies, ammunition, and other accessories when conducting activities at the departments firing range. We have several steel targets that do not have proper secured storage on site. These steel targets are currently stored in the walkway of the metal storage container and have to be moved to access other items during range use. The second storage container will allow us proper storage of the metal targets when not in use on the range.

Boone County Sheriff's Department Portable Radio Communications Program:

The Boone County Sheriff's Department has 49 portable radios currently being utilized that are well past the recommended life span and are slated for replacement. Part of our technology plan calls for the replacement of our remaining, aging radios. The amount of the radio purchase is beyond the funding of our current budget.

The Boone County Sheriff's Department's role in providing law enforcement service to the community hinges on efficient communications. Our department has determined the Motorola XTS 2500 Model 1.5 Digital Portable Radio is the most effective and efficient solution at maintaining and improving this service.

Standard Features and Benefits of the Motorola XTS 2500 Model 1.5 Digital Portable

This is possible because the radios will function with other radio systems that outside agencies such as the Columbia Police Department, Missouri State Highway Patrol and the University of Missouri Police Department currently operate on.

If funding is approved for this next grant cycle, the Boone County Sheriff's Department plans to purchase two (2) Motorola XTS 2500 Model 1.5 Digital Portable Radios through a competitive bid process created from previous radio purchases. This process helps ensure the funding is used efficiently and the cost of the services is appropriate.

PERFORMANCE MEASURES:

Both applicants within this request are required by Department Policy or State Law to maintain records on various different levels of incidents. This requirement will allow us to query existing data and measure the results of the work performed with the equipment/training gained from this funding request. Both entities in this application currently follow grant reporting guidelines and have proficiency in accurate and timely reporting.

CLOSING:

As per the Memorandum of Understanding agreed upon by both entities, the Boone County Sheriff's Department will be responsible for the application, drawdown, and dissemination of funds to the City of Columbia, and fulfilling all reporting requirements of this grant program. The Sheriff's Department was chosen for this due to their experience handling JAG funds.

The tracking and reporting of all monies received and disbursed relating to this grant will be accomplished through the use of separate funds and/or accounts established for such purposes. All monies received from this grant will be recorded, tracked, and reported in such manner as to identify and account for them separately from other County resources.

Since this funding will go toward equipment, both recipients plan to start work on these programs immediately. As soon as the grant funds have been deposited we will route a Budget Amendment proposal through a public hearing at a regular Commission meeting to approve the spending as outlined in this grant application.

The assistance of these grant funds will allow us to purchase much needed equipment that would otherwise not be attainable with our current budget shortfall. On behalf of both applicants encompassed in this application, we would like to thank the Edward Byrne Memorial Justice Assistance Grant program, and the reviewers, for this opportunity. During hard financial times like these it is truly hard to make budget decisions that compromise the safety of our employees and citizens. We have worked hard at maintaining a certain level of customer satisfaction; however, the economic situation over the past several years has made this an overwhelming task. These grant funds will certainly help our ailing budget and allow us to focus on more needs in future budget years.

DRAFT

Boone County Sheriff's Department and the Columbia Police Department

FY 2014 Edward Byrne Memorial Justice Assistance Grant: 2014-H1539-MO-DJ

Review Narrative:

The City of Columbia and the County of Boone have been certified as disparate jurisdictions, and are filing this application jointly. Both entities have come to the agreement that the County of Boone, specifically the Boone County Sheriff's Department, will be the Authorized Representative for this application and any subsequent reporting of expended funds. Both entities have agreed on how the FY2014 Byrne JAG funds will be divided and what equipment and programs will be supported by this grant through the respective departments.

The City of Columbia and the County of Boone have drafted an Intergovernmental Agreement which as of the date of this application submission is still in process for signatures. The agreement must pass through two Columbia City Council meetings and two Boone County Commission meetings. Once the agreement is finalized by both entities we can provide a copy of the fully executed document. A copy of the draft agreement has been supplied with this application.

The aforementioned agreement establishes that the City of Columbia and the County of Boone agree to divide the award using a 60/40 split calculation. The City of Columbia agrees that the County of Boone will receive \$18,494.40 of the allotted \$46,236.00 under this joint application; with the balance of \$27,741.60 going to the City of Columbia. The agreement was drafted under the same guidelines as previous years and therefore we see no reason it will not go through.

Notice of the application was read in public forum on May 27, 2014 and made available to the Boone County Commission for the required review. The application was further advertised for a second hearing in the Boone County Commission and on May 29, 2014 a second reading in a public meeting was conducted. Public notices of all Boone County Commission meetings are made by web site posting, local newspaper notice and email distribution. The application was approved by the Boone County Commission on May 29, 2014; a copy of the signed Commission Order has been submitted with this application.

Being subject to review under Executive Order 12372, information for this application was submitted to the State of Missouri for review on May 5, 2014 (a copy of the letter is included with this application).

Abstract: FY 2014 Byrne JAG Grant Application Number: 2014-H1539-MO-DJ.

Applicant: County of Boone, Missouri.

Title of the project: Boone County & City of Columbia FY 2014 Byrne JAG Budget Assistance Project.

Goals of the project: To purchase law enforcement equipment not attainable with our current operating budgets.

Description of the strategies to be used: We will use contracts already in place and/or use established purchasing policies to obtain the equipment in this grant proposal. The programs outlined in this grant application come from different divisions within each agency. This will allow the projects to be completed in a more timely fashion.

Each entity will work independently on the programs as none of them have been designed to be joint projects. The Applicants have agreed to split the local allocation in a 60/40 manner as a disparate jurisdiction. Both entities have worked together in the past on similar projects to properly disburse and track grant funds. The Boone County Sheriff's Department has been chosen as the fiscal agent for this application due to experience in applying and reporting on Justice Assistance Grants.

Project identifiers: Equipment – General, Equipment – Video/Audio Recording, Equipment – Tactical and Communications.

CERTIFICATIONS REGARDING LOBBYING; DEBARMENT, SUSPENSION AND OTHER RESPONSIBILITY MATTERS; AND DRUG-FREE WORKPLACE REQUIREMENTS

Applicants should refer to the regulations cited below to determine the certification to which they are required to attest. Applicants should also review the instructions for certification included in the regulations before completing this form. Acceptance of this form provides for compliance with certification requirements under 28 CFR Part 69, "New Restrictions on Lobbying," 2 CFR Part 2867, "DOJ Implementation of OMB Guidance on Nonprocurement Debarment and Suspension," and 28 CFR Part 83, "Government-wide Debarment and Suspension," and Government-wide Requirements for Drug-Free Workplace (Grants)." The certifications shall be treated as a material representation of fact upon which reliance will be placed when the Department of Justice determines to award the covered transaction, grant, or cooperative agreement.

1. LOBBYING As required by Section 1352, Title 31 of the U.S. Code, and implemented at 28 CFR Part 69, for persons entering into a grant or cooperative agreement over \$100,000, as defined at 28 CFR Part 69, the applicant certifies that:

(a) No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the making of any Federal grant, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal grant or cooperative agreement;

(b) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal grant or cooperative agreement, the undersigned shall complete and submit Standard Form - LLL, "Disclosure of Lobbying Activities," in accordance with its instructions;

(c) The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subgrants, contracts under grants and cooperative agreements, and subcontracts) and that all sub-recipients shall certify and disclose accordingly.

2. DEBARMENT, SUSPENSION, AND OTHER RESPONSIBILITY MATTERS (DIRECT RECIPIENT)

Pursuant to Executive Order 12549, Debarment and Suspension, implemented at 2 CFR Part 2867, for prospective participants in primary covered transactions, as defined at 2 CFR Section 2867.20(a), and other requirements:

A. The applicant certifies that it and its principals:

(a) Are not presently debarred, suspended, proposed for debarment, declared ineligible, sentenced to a denial of Federal benefits by a State or Federal court, or voluntarily excluded from covered transactions by any Federal department or agency;

(b) Have not within a three-year period preceding this application been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State, or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

(c) Have not within a two-year period preceding this application been convicted of a felony criminal violation under any Federal law, unless such felony criminal conviction has been disclosed in writing to the Office of Justice Programs (OJP) at Ojpcompliancereporting@usdoj.gov, and, after such disclosure, the applicant has received a specific written determination from OJP that neither suspension nor debarment of the applicant is necessary to protect the interests of the Government in this case.

(d) Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State, or local) with commission of any of the offenses enumerated in paragraph (b) of this certification; and

(e) Have not within a three-year period preceding this application had one or more public transactions (Federal, State, or local) terminated for cause or default.

B. Where the applicant is unable to certify to any of the statements in this certification, he or she shall attach an explanation to this application.

3. FEDERAL TAXES

A. If the applicant is a corporation, the applicant certifies that either (1) the corporation has no unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted or have lapsed, that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability, or (2) the corporation has provided written notice of such an unpaid tax liability (or liabilities) to OJP at Ojpcompliancereporting@usdoj.gov, and, after such disclosure, the applicant has received a specific written determination from OJP that neither suspension nor debarment of the applicant is necessary to protect the interests of the Government in this case.

B. Where the applicant is unable to certify to any of the statements in this certification, he or she shall attach an explanation to this application.

4. DRUG-FREE WORKPLACE (GRANTEES OTHER THAN INDIVIDUALS)

As required by the Drug-Free Workplace Act of 1988, and implemented at 28 CFR Part 83, Subpart F, for grantees, as defined at 28 CFR Sections 83.620 and 83.650:

A. The applicant certifies that it will or will continue to provide a drug-free workplace by:

(a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;

(b) Establishing an on-going drug-free awareness program to inform employees about

(1) The dangers of drug abuse in the workplace;

(2) The grantee's policy of maintaining a drug-free workplace;

(3) Any available drug counseling, rehabilitation, and employee assistance programs; and

(4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;

(c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);

(d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will

(1) Abide by the terms of the statement; and

(2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;

(e) Notifying the agency, in writing, within 10 calendar days after receiving notice under subparagraph (d)(2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to: Department of Justice, Office of Justice Programs, ATTN: Control Desk, 810 7th Street, N.W., Washington, D.C. 20531. Notice shall include the identification number(s) of each affected grant;

(f) Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph (d)(2), with respect to any employee who is so convicted

(1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

(2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

(g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e), and (f).

As the duly authorized representative of the applicant, I hereby certify that the applicant will comply with the above certifications.

2014 MISSOURI JAG ALLOCATIONS

Listed below are all jurisdictions in the state that are eligible for FY 2014 JAG funding, as determined by the JAG formula. If your jurisdiction is listed with another city or county government in a shaded area, you are in a funding disparity. In this case, the units of local government must develop a Memorandum of Understanding (MOU) and apply for an award with a single, joint application.

Finding your jurisdiction:(1) Disparate jurisdictions are listed in shaded groups below, in alphabetic order by county.(2) Eligible individual allocations are listed alphabetically below the shaded, disparate groupings.

Counties that have an asterisk (*) under the "Eligible Individual Allocation" column did not submit the level of violent crime data to qualify for a direct award from BJA, but are in the disparate grouping indicated by the shaded area. The JAG legislation requires these counties to remain a partner with the local jurisdictions receiving funds and must be a signatory on the required Memorandum of Understanding (MOU). A sample MOU is provided online at: <https://www.bja.gov/Funding/JAGMOU.pdf>. Disparate jurisdictions do not need to abide by the listed individual allocations, which are provided for information only. Jurisdictions in a funding disparity are responsible for determining individual amounts within the Eligible Joint Allocation and for documenting individual allocations in the MOU. For additional details regarding the JAG formula and award calculation process, with examples, please refer to the updated JAG Technical report: <https://www.bja.gov/Publications/JAGTechRpt.pdf>.

For JAG Frequently Asked Questions, please refer to BJA's JAG webpage: <https://www.bja.gov/Funding/JAGFAQ.pdf>.
