✎ The meeting minutes of the September 25, 2014 meeting are attached for your review.

**3. Approve Contribution of \$7,500.00 to the Cradle to Career Initiative**

✎ Cradle to Career is a coalition of community leaders working to measurably improve student success and reduce disparities by helping community organizations and schools work more closely together and use local data to identify practices that work. By investing in the success of Cradle to Career in Boone County the Board will be informed of the need gaps in our community, receive information on evidence-based practices, receive data on student outcomes and have the opportunity to invest in programs that improve outcomes.

**4. Approve Director to Enter into Contract with Apricot for Funders**

✎ Apricot for Funders is a tool that would enable web-based management of the Children's Services Fund Application Process, from the initial request for proposals to capturing organizations reports on outcomes. The system would be used in collaboration with the City/County Department of Health and Human Services with the potential to add additional funders such as Heart of Missouri United Way. By working in collaboration with other funders we would have the ability to capture collective data from all programs managed by the system enabling a broader understanding of the impact of funding in Boone County.
