ARTICLE 1-GENERAL PROVISIONS

Part A--Purpose and Application

§1-101 Purpose.

The purpose of this Policy is to provide for the fair and equitable treatment of all persons involved in public purchasing by the County of Boone, hereinafter referred to as County, to maximize the purchasing value of public funds in procurement, and to provide safeguards for maintaining a procurement system of quality and integrity.

§1-102 Application.

This Policy applies to contracts for the procurement of supplies, and services, entered into by the County after the effective date of this Policy, unless the parties agree to its application to contracts entered into prior to the effective date. It shall apply to every expenditure of public funds by all Administrative Authorities irrespective of the source of the funds. When the procurement involves the expenditure of federal assistance or contract funds, the procurement shall be conducted in accordance with any mandatory applicable federal law and regulations. (2) *Appointment.* The purchasing agent shall be appointed by the Boone County Commission. The purchasing agent shall have a bachelor's degree and a minimum of five (5) years public purchasing experience in a government setting and two years management experience. Preferred qualifications include a master's degree and certification as a Certified Professional Public Buyer (CPPB), a Certified Public Purchasing Officer (CPPO), or a Certified Purchasing Manager (CPM).

(3) *Tenure.* The purchasing agent shall be appointed to serve an indefinite term and may be removed from office by the Boone County Commission.

§2-102 Authority and Duties.

(1) *Principal Public Purchasing Official.* Except as otherwise provided herein, the purchasing agent shall serve as the principal public purchasing official for the County and shall be responsible for the procurement of supplies and services in accordance with this Policy, as well as the management and disposal of supplies and fixed assets.

(2) *Duties.* In accordance with this Policy, and subject to the supervision of the Boone County Commission, the purchasing agent shall:

(a) Procure or supervise the procurement of all supplies and services needed by the County; (50.755 RSMo)

Notwithstanding the provisions of Section 2-102 (Authority and Duties), procurement authority with respect to certain supplies, services, or construction may be delegated to Administrative Authorities by the Boone County Commission, when such delegation is evidenced by a formal commission order for the effective procurement of these supplies, services, or construction.

ARTICLE 3--SOURCE SELECTION AND CONTRACT FORMATION

Part A--Methods of Source Selection **(for purchases \$12,000 and over in a 90-day period)**

§3-101 Competitive Sealed Bidding.

(1) *Conditions for Use.* All contracts of the County shall be awarded by competitive sealed bidding except as otherwise provided in Sections 3-102 (Competitive Sealed Proposals), 3-103 (Contracting for Designated Professional Service), 3-104 (Small Purchases), 3-105 (Sole Source Procurement), 3-106 (Emergency Procurements), or 5-401 (Public Announcement and Selection Process) of this Policy.

(2) *Invitation for Bids and Request for Bids.* An Invitation for Bids and Request for Bids shall be issued and shall include specifications, and all contractual terms and conditions applicable to the procurement.

(3) *Public Notice.* All public notices of the Invitation for Bids and Request for Bids shall be given a reasonable time, not less than fifteen (15) calendar days prior to the date set forth therein for the opening of bids. When time is of the essence, the Purchasing Director has the discretion to shorten the minimum time the bid is left open, with an opening date of 3 days from time of issue to allow for an emergency faxed/emailed bid. Such notice may include publication in a newspaper of general circulation of at least five hundred copies per issue a reasonable time prior to bid opening. (50.660 RSMo). The public notice shall state the place, date, and time of bid opening.

(4) *Bid Opening.* Bids shall be opened publicly in the presence of one or more witnesses at the time and place designated in the Invitation for Bids or Request for Bids unless the bids are received electronically in the Purchasing Electronic System. The amount of each bid, and such other relevant information as the purchasing agent deems appropriate, together with the name of each bidder shall be recorded; the record and each bid shall be open to public inspection in accordance with Section 1-301 (Public Access to Procurement Information). Bids are generally opened in the Purchasing Department. The list of bids received for projects greater than \$250,000 will be read and acknowledged during a Boone County Commission meeting following bid opening.

(5) *Bid Award Recommendations.* The Purchasing Department shall present bid award recommendations in two scheduled commission meetings for all contract awards except for bid award recommendations for bids opened in scheduled Commission meetings which may be approved by County Commission during the first reading following the public bid opening.

(6) *Bid Acceptance and Bid Evaluation.* Bids shall be unconditionally accepted without alteration or correction, except as authorized in this Policy. Bids shall be evaluated based on the requirements set forth in the Invitation for Bids or Request for Bids, which may include criteria to determine acceptability such as inspection, testing, quality, workmanship, delivery, and suitability for a particular purpose. Those criteria that will affect the bid price and be considered in evaluation for award shall be objectively measurable, such as discounts, transportation costs, and total or life cycle costs. The Invitation for Bids or Request for Bids will set forth the evaluation criteria to be used.

(7) *Correction or Withdrawal of Bids; Cancellation of Awards.* Correction or withdrawal of inadvertently erroneous bids before or after bid opening, or cancellation of awards or in such circumstances, may be permitted where appropriate. Mistakes discovered before bid opening may be modified or withdrawn by written notice received in the office designated in the Invitation for Bids or

Request for Bids prior to the time set for bid opening. After bid opening, no changes in bid prices or other provisions of bids prejudicial to the interest of the County or fair competition shall be permitted. In lieu of bid correction, a low bidder alleging a material mistake of fact may be permitted to withdraw its bid if:

- (a) the mistake is clearly evident on the face of the bid document, but the intended correct bid is not similarly evident; or
- (b) the bidder submits evidence which clearly and convincingly demonstrates that a mistake was made. All decisions to permit the correction or withdrawal of bids, or to cancel awards or contracts based on bid mistakes, shall be supported by a written determination made by the purchasing agent.

(8) *Award.* The contract shall be awarded with reasonable promptness by appropriate written notice to the lowest responsible and responsive bidder whose bid meets the requirements and criteria set forth in the Invitation for Bids or Request for Bids. In the event the low responsive and responsible bid for a construction project exceeds available funds as certified by the Boone County Auditor, and such bid does not exceed such funds by more than [five] percent, the purchasing agent is authorized, when time or economic considerations preclude re-solicitation of work of a reduced scope, to negotiate an adjustment of the bid price with the low responsive and responsible bidder, in order to bring the bid within the amount of available funds. Any such negotiated adjustment shall be based only upon eliminating independent deductive items specified in the Invitation for Bids or Request for Bids.

(9) *Multi-Step Sealed Bidding.* When it is considered impractical to prepare initially a purchase description to support an award based on price, an Invitation for Bids or Request for Bids may be issued requesting the submission of un-priced offers to be followed by an Invitation for Bids or Request for Bids limited to those bidders whose offers have been determined to be technically acceptable under the criteria set forth in the first solicitation.

§3-102 Competitive Sealed Proposals (Request for Proposals).

(1) *Conditions for Use.* When the purchasing agent determines in writing that the use of competitive sealed bidding is either not practicable or not advantageous to the County, a contract may be entered into by use of the competitive sealed proposals method.

(2) *Request for Proposals.* Proposals shall be solicited through a Request for Proposals.

(3) *Public Notice.* Adequate public notice of the Request for Proposals shall be given in the same manner as provided in Section 3-101(3) (Competitive Sealed Bidding, Public Notice); provided, the minimum time shall be thirty (30) calendar days. When time is of the essence, the Purchasing Director has the discretion to shorten the minimum time the proposal is left open, with an opening date of 21 days from time of issue.

(4) *Receipt of Proposals.* No proposals shall be handled so as to permit disclosure of the contents of any proposal to competing offeror's during the process of negotiation. A register of proposals shall be prepared containing the name of each offeror, the number of modifications received, if any, and a description sufficient to identify the item offered. The register of proposals shall be open for public inspection only after contract award (610.021 RSMo).

(5) *Evaluation Factors.* The Request for Proposals shall state the relative importance of price and other evaluation factors.

(6) *Discussion with Responsible Offerors and Revisions to Proposals.* As provided in the Request for Proposals, discussions may be conducted with responsible offerors who submit proposals determined to be reasonably susceptible of being selected for award for the purpose of clarification to assure full understanding of, and conformance to, the solicitation requirements. Offerors shall be

accorded fair and equal treatment with respect to any opportunity for discussion and revision of proposals and such revisions may be permitted after submissions and prior to award for the purpose of obtaining best and final offers. In conducting discussions, there shall be no disclosure of any information derived from proposals submitted by competing offerors.

(7) *Award.* Award shall be made to the responsible offeror whose proposal is determined in writing to be the most advantageous to the County, taking into consideration price and the evaluation factors set forth in the request for proposals. No other factors or criteria shall be used in the evaluation. The contract file shall contain the basis on which the award is made.

§3-103 Contracting for Designated Professional Services.

(1) *Authority.* For the purpose of procuring professional services as defined by the laws of the State of Missouri, any Administrative Authority requiring such services may procure them on its own behalf. No contractor for the services of County Counselor may be awarded without the approval of the Boone County Commission. The Boone County Purchasing department recommends that the following selection procedures be followed in these instances.

(2) *Selection Procedure.*

(a) *Obtain Statement of Qualifications.* Persons engaged in providing the designated types of professional services may submit statements of qualification and expressions of interest in providing such professional services. An Administrative Authority using such professional services may specify a uniform format for statements of qualifications. Persons may amend these statements at any time by filing a new statement. (See sample Exhibit A)

(b) *Provide adequate Public Announcement and Form of Request for Proposals.* Adequate public notice of the Request for Proposals shall be given in the same manner as provided in Section 3-102(3) (Competitive Sealed Proposals, Public Notice); provided the minimum time shall be thirty (30) calendar days. The Request for Proposals shall describe the services required, list the types of information and data required of each offeror, and state the relative importance of particular qualifications. Refer to paragraph 3-102 for competitive sealed proposals' procedures.

(c) *Conduct Discussions.* The Administrative Authority procuring the required professional services may conduct discussions with any offeror who has submitted a proposal to determine such offeror's qualifications for further consideration. Discussions shall not disclose any information derived from proposals submitted by other offerors.

(d) *Award.* A written award shall be made to the offeror selected by the Administrative Authority procuring the required professional services. The award will be based on the evaluation factors set forth in the request for proposals. If compensations cannot be agreed upon with the best qualified offeror, then negotiations will be formally terminated with the selected offeror. If proposals were submitted by one or more other offerors determined to be qualified, negotiations may be conducted with such other offeror or offerors, in the order of their respective qualification ranking, and the contract may be awarded to the offeror then ranked best qualified if the amount of compensations is determined to be fair and reasonable.

§3-105 Sole Source Procurement.

A contract of a value in excess of \$12,000 may be awarded without competition when the Commission finds that there is only one feasible source for the required supply, or service item. The requesting department must complete a Sole Source Request Form and submit it to the Purchasing department. (See attached Exhibit B). The Purchasing department shall keep and maintain, and provide

upon request of the Commission documentation, after conducting a good faith review of available sources, that there is only one feasible source for the required supply or service. The purchasing agent shall conduct negotiations as to price, delivery, and terms as appropriate under the circumstances. The Purchasing department shall also advertise the requesting department's intent to make a sole source purchase of a value in excess of \$12,000 in at least one daily and one weekly newspaper of general circulation in such places as are most likely to reach prospective bidders or offerors. Except for regulated utility services, a record of sole source procurements shall be maintained as a public record in the Purchasing department and shall list each contractor's name, the amount and type of each contract, a listing of the item(s) procured under each contract, and the identification number of each contract file. The Purchasing Agent will review the record of sole source providers yearly in December and submit the list of renewals for approval for the next fiscal year to the commissioners in regular session.

§3-106 Emergency Procurements.

Notwithstanding any other provisions of this Policy, and by direction of the liaison Commissioner to any Department, and in the absence of an assigned liaison Commissioner, it shall be the Presiding Commissioner, the purchasing agent may make or authorize others to make emergency procurements of supplies, services, or construction items when there exists a threat to public health, welfare, or safety; provided that such emergency procurements shall be made with such competition as is practicable under the circumstances. In the case of a major disaster affecting County operations caused by weather, terrorism, war, accidents, explosions, Acts of God, etc. the Presiding Commissioner or liaison Commissioner could enact the emergency purchasing policy to cover whatever goods or services may be necessary to stabilize the County's operations. A written determination of the basis for the emergency and for the selection of the particular contractor shall be documented on the *Emergency Procurement Form* and submitted to the Purchasing Department by the requesting department. (See attached Exhibit C) As soon as practicable, a record of each emergency procurement shall be made and maintained in the Purchasing department contract file and shall set forth the contractor's name, the amount and type of the contract, a listing of the item(s) procured under the contract, and the identification number of the contract file.

§3-107 Cancellation of Request for Bid or Request for Proposal.

A request for bid, a request for proposal, or other solicitation may be canceled, or any or all bids or proposals may be rejected in whole or in part as may be specified in the solicitation, when it is for good cause and in the best interests of the County. The reasons therefor shall be made part of the bid file. Each solicitation issued by the County shall state that the solicitation may be canceled and that any bid or proposal may be rejected in whole or in part for good cause when in the best interests of the County. Notice of cancellation shall be sent to all businesses solicited. The notice shall identify the solicitation, explain the reason for cancellation and, where appropriate, explain that an opportunity will be given to compete on any re-solicitation or any future procurement of similar items. Reasons for rejection shall be provided upon request by unsuccessful bidders or offerors.

§3-108 Non-Competitive Negotiations (Sole Source Procurement / Single Source Procurement).

A contract may be awarded without competition when the liaison Commissioner to any Department, and in the absence of an assigned liaison Commissioner, it shall be the Presiding Commissioner, agree that the required supply, or service item falls under a non-competitive negotiation. Used in those specific instances where competition is nonexistent; or to satisfy certain proprietary conditions caused by the existence of patents, copyrights, secret processes; or the purchase of captive

replacement parts, OEM parts or components for equipment, as well as the technical services related to such equipment; as long as governmental policy, rules and regulations do not prohibit them.

Part B--Qualifications and Duties of Bidders and Offerors

§3-201 Responsibility of Bidders and Offerors.

(1) *Determination of Non-responsibility.* Following the bid award, if a bidder or offeror who otherwise would be awarded a contract is found non-responsible, a written determination of non-responsibility, setting forth the basis of the finding, shall be prepared by the purchasing agent and retained in the bid file. The unreasonable failure of a bidder or offeror to promptly supply information in connection with an inquiry with respect to responsibility may be grounds for a determination of non-responsibility with respect to such bidder or Offeror. The final determination shall be made part of the bid file and be made a public record.

§3-202 Cost or Pricing Data in Capital Projects.

(1) *Required Submissions Relating to the Award of Contracts.* A prospective contractor shall submit cost or pricing data when the contract is expected to exceed \$100,000 and is to be awarded by competitive sealed proposals (Section 3-102; Competitive Sealed Proposals), or by sole source procurement authority (Section 3-105; Sole Source Procurement).

(2) *Exceptions.* The submission of cost or pricing data relating to the award of a contract is not required when:

- (a) the contract price is based on adequate price competition;
- (b) the contract price is based on established catalogue prices or market prices;
- (c) the contract price is set by law or regulation; or
- (d) it is determined in writing by the purchasing agent, and at the direction of the Boone

County Commission, that the requirements of Section 3-202(1) (Cost or Pricing Data; Required Submissions Relating to the Award of Contracts) may be waived, and the determination states the reasons for such waiver (i.e. Emergency 3-106).

(3) *Required Submissions Relating to Change Orders or Contract Modifications.* A contractor shall submit cost or pricing data prior to the pricing of any change order or contract modification, including adjustments to contracts awarded by competitive sealed bidding, whether or not cost or modification involves aggregate increases or aggregate decreases in costs plus applicable profits that are expected to exceed \$100,000.

(4) *Exceptions.* The submission of cost or pricing data relating to the pricing of a change order or contract modification is not required when:

- (a) unrelated and separately priced adjustments for which cost or pricing data would not be required are consolidated for administrative convenience; or
- (b) it is determined in writing by the purchasing agent, and as approved by the Boone County Commission, that the requirements of Section 3-202(3) (Cost or Pricing Data; Required Submissions Relating to Change Orders or Contract Modifications) may be waived, and the determination states the reasons for such waiver.

(5) *Certification Required.* A contractor, actual or prospective, required to submit cost or pricing data in accordance with this Section, shall certify that, to the best of its knowledge and belief, the cost or pricing data submitted was accurate, complete, and current as of a mutually specified date prior to the award of the contract or the pricing of the change order or contract modification.

(6) *Price Adjustment Provision Required.* Any contract award, change order, or contract modification under which the submission and certification of cost or pricing data are required shall contain a provision stating that the price to the County, including profit or fee, shall be adjusted to exclude any significant sums by which the County finds that such price was increased because the contractor-furnished cost or pricing data was inaccurate, incomplete, or not current as of the date agreed upon between the County and the contractor.

§3-203 Cost or Price Analysis.

A cost analysis or price analysis, as appropriate, shall be conducted prior to award of the contract other than one awarded under Section 3-101 (Competitive Sealed Bidding). A written record of such cost analysis or price analysis shall be made a part of the contract file.

§3-204 Bid and Performance Bonds on Supply or Service Contracts.

Bid and performance bonds or other security may be requested for supply contracts or service contracts as the Purchasing Agent or Administrative Authority deems advisable to protect the County's interests. The Purchasing department generally requests bonds and securities for contracts greater than \$50,000, however the Purchasing Agent or Administrative Authority has the discretion to request bonds or other security for contracts less than \$50,000. Any such bonding requirements shall be set forth in the solicitation. Bid or performance bonds shall not be used as a substitute for a determination of a bidder or offeror's responsibility. (Bidders submit Bid Bond – in the amount of 5% of bid. Then Contractor submits a Performance Bond and a Labor & Material Bond for full amount of contract amount)).

Part C--Types of Contracts and Contract Administration

§3-301 Types of Contracts.

(1) *General Authority.* Subject to the limitations of this Section, any type of contract which is appropriate to the procurement and which will promote the best interests of the County may be used. A cost-plus-a-percentage-of-cost contract is prohibited. A cost reimbursement contract may be used only when a determination is made in writing that such contract is likely to be less costly to the County than any other type of contract, or that it is impracticable to obtain the supply, service, or construction item required except under such a contract.

(2) *Multi-Term Contracts.*

(a) *Specified Period.* Unless otherwise provided by law, a contract for supplies or services may be entered into for any period of time deemed to be in the best interests of the County, provided the term of the contract and conditions of renewal or extension, if any, are included in the solicitation and funds are available for the first fiscal period at the time of contracting. Payment and performance obligations for succeeding fiscal periods shall be subject to the availability and appropriation of funds.

(b) *Determination Prior to Use.* Prior to the utilization of a multi-term contract, it shall be determined in writing by the requesting administrative authority:

- (i.) that estimated requirements cover the period of the contract and are reasonably firm and continuing; and
- (ii) that such a contract will serve the best interests of the County by encouraging effective competition or otherwise promoting economies in Boone County procurement.

(c) *Cancellation Due to Unavailability of Funds in Succeeding Fiscal Periods.* When funds are not appropriated or otherwise made available to support continuation of performance in a subsequent fiscal period, the contract shall be canceled, and the contractor shall be reimbursed for the reasonable value of any non-recurring costs incurred but not amortized in the price of the supplies or services delivered under the contract. The cost of cancellation may be paid from any appropriations available for such purposes.

(3) *Multiple Source Contracting.*

(a) *General.* A multiple source award is an award of an indefinite quantity contract for one or more similar supplies or services to more than one bidder or offeror. The obligation to order the County's actual requirements is limited by the provisions of Uniform Commercial Code Section 2-306(1).

(b) *Limitations on Use.* A multiple source award may be made when award to two or more bidders or offerors for similar products is necessary for adequate delivery, service, or product compatibility. Any multiple source award shall be made in accordance with the provisions of Section 3-101 (Competitive Sealed Bidding), Section 3-201 (Competitive Sealed Proposals), and Section 3-106 (Emergency Procurements), as applicable. Multiple source awards shall not be made when a single award will meet the County's needs without sacrifice of economy or service. Awards shall not be made for the purpose of dividing the business, making available product or supplier selection to allow for user preference unrelated to utility or economy, or avoiding the resolution of tie bids. Any such awards shall be limited to the least number of suppliers necessary to meet the valid requirements.

(c) *Contract and Solicitation Provisions.* All eligible users of the contract shall be named in the solicitation, and it shall be mandatory that the actual requirements of such users that can be met under the contract be obtained in accordance with the contract, provided that:

- (i) the County shall reserve the right to take bids separately if a particular quantity requirement arises which exceeds its normal requirement, or an amount specified in the contract; and
- (ii) the County shall reserve the right to take bids separately if the purchasing agent approves a finding that the supply or service available under the contract will not meet a non-recurring special need of the County.

(d) *Intent to Use.* If a multiple source award is anticipated prior to issuing a solicitation, the County shall reserve the right to make such an award and the criteria for award shall be stated in the solicitation.

(e) *Determination Required.* The purchasing agent shall make a written determination setting forth the reasons for a multiple source award, which shall be made a part of the official record.

§3-302 Contract Clauses and Their Administration.

(1) *Contract Clauses.* All County contracts for supplies, services, and construction shall include provisions necessary to define the responsibilities and rights of the parties to the contract. The purchasing agent, after consultation with the Boone County Counselor, may issue clauses appropriate for supply, service, or construction contracts, addressing among others the following subjects:

- (a) the unilateral right of the County to order in writing changes in the work within the scope of the contract;

- (b) the unilateral right of the County to order in writing temporary stopping of the work or delaying performance that does not alter the scope of the contract;

 - (iii) when the parties have otherwise agreed with respect to the risk of differing site conditions.

(2) *Price Adjustments.*

(a) Adjustments in price resulting from the use of contract clauses required by Subsection (1) of this Section shall be computed in one or more of the following ways:

- (i) by agreement on a fixed price adjustment before commencement of the pertinent performance or as soon thereafter as practicable;
- (ii) by unit prices specified in the contract or subsequently agreed upon;
- (iii) by the costs attributable to the events or situations under such clauses with adjustment of profit or fee, all as specified in the contract or subsequently agreed upon;
- (iv) in such other manner as the contracting parties may mutually agree; or
- (v) in the absence of agreement by the parties, by a unilateral determination by the County of the costs attributable to the events or situations under such clauses with adjustment of profit or fee as computed by the County, as accounted for in accordance with generally accepted accounting practices and subject to the provisions of Article 9 (Appeals and Remedies).

(b) A contractor shall be required to submit cost or pricing data if any adjustment in contracting price is subject to the provisions of Section 3-202 (Cost or Pricing Data).

(3) *Standard Clauses and Their Modification.* The purchasing agent, after consultation with the Boone County Counselor, may establish standard contract clauses for use in Boone County contracts. If the purchasing agent establishes any standard clauses addressing the subjects set forth in Subsection (1) of this Section, such clauses may be varied provided that any variations are supported by a written determination that states the circumstances justifying such variations and provided that notice of any such material variation be stated in the invitation for bids or request for proposals.

§3-303 Contract Administration.

A contract administration system designed to ensure that a contractor is performing in accordance with the solicitation under which the contract was awarded, and the terms and conditions of the contract, shall be maintained by the administrative authority.

§3-304 Right to Inspect Plant.

The County may, at reasonable times, inspect the part of the plant, place of business, or work site of a contractor or subcontractor at any tier which is pertinent to the performance of any contract awarded or to be awarded by the County.

§3-305 Right to Audit Records.

(1) *Audit of Cost or Pricing Data.* The County may at reasonable times and places audit the books and records of any contractor who has submitted cost or pricing data pursuant to Section 3-202 (Cost or Pricing Data) to the extent that such books, documents, papers, and records are pertinent to such cost or pricing data. Such books and records shall be maintained by the contractor for a period of five (5) years from the date of final payment under the subcontract or as otherwise provided by laws of the State of Missouri.

(2) *Contract Audit.* The County shall be entitled to audit the books and records of a contractor or a subcontractor at any tier under any negotiated contract or subcontract other than a firm fixed-price contract to the extent that such books, documents, papers, and records are pertinent to the performance of such contract or subcontract. Such books and records shall be maintained by the contractor for a period of five (5) years from the date of final payment under the subcontract or as otherwise provided by laws of the State of Missouri.

§3-306 Reporting of Anti-Competitive Practices.

When for any reason collusion or other anti-competitive practices are suspected among any bidders or offerors, a notice of the relevant facts shall be transmitted to the state Attorney General and Boone County Counselor.

§3-307 County Procurement Records.

(1) *Retention of Procurement Records.* All procurement records shall be retained and disposed of by the Boone County Clerk for the County in accordance with records retention guidelines and schedules approved by the Missouri Secretary of State.

§3-308 Procurement and Contractual Requirements for Minority and Women Owned Business (MBE/WBE) when Federal Funds are Used.

When the County’s procurement is funded by federal funds then the language set out in 2 CFR 200.321, as amended, applies. The County will affirmatively solicit from MBEs and WBEs that certify as such during the vendor registration process whenever they are potential sources.

§3-309 Delegation of Authority for Purchasing Director to Sign Contracts

The Purchasing Director has authority to sign Contracts and Amendments excluding capital building projects, cooperative contracts, and any project not in the current Fiscal Year Budget where there are no appropriations.

ARTICLE 4--SPECIFICATIONS

§4-101 Maximum Practicable Competition.

All specifications shall be drafted so as to promote overall economy for the purposes intended and encourage competition in satisfying the County's needs and shall not be unduly restrictive. The policy enunciated in this Section applies to all specifications including but not limited to, those prepared for the County by architects, engineers, designers, and draftsmen.

§4-102 Brand Name or Equal Specification.

(1) *Use.* Brand name or equal specifications may be used when the purchasing agent determines in writing that:

- (a) no other design or performance specification or qualified products list is available;
- (b) time does not permit the preparation of another form of purchase description, not including a brand name specification;
- (c) the nature of the product or the nature of the County's requirements makes use of a brand name or equal specification suitable for the procurement; or
- (d) use of a brand name or equal specification is in the County's best interests.

(2) *Designation of Several Brand Names.* Brand name or equal specifications shall seek to designate three, or as many different brands as are practicable, as "or equal" references and shall further state that substantially equivalent products to those designated will be considered for award.

(3) *Required Characteristics.* Unless the purchasing agent determines in writing that the essential characteristics of the brand names included in the specifications are commonly known in the industry or trade, brand name or equal specifications shall include a description of the particular design, functional, or performance characteristics which are required.

(4) *Nonrestrictive Use of Brand Name or Equal Specifications.* Where a brand name or equal specification is used in a solicitation, the solicitation shall contain explanatory language that the use of a brand name is for the purpose of describing the standard of quality, performance, and characteristics desired and is not intended to limit or restrict competition.

§4-103 Brand Name Specification

(1) *Use.* Since use of a brand name specification is restrictive of product competition, it may be used only when the purchasing agent makes a written determination that only the identified brand name item or items satisfy the County's needs.

(2) *Competition.* The purchasing agent shall seek to identify sources from which the designated brand name item or items can be obtained and shall solicit such sources to achieve whatever degree of price competition is practicable. If only one source can supply the requirement, the procurement shall be made under Section 3-105 (Sole Source Procurement).

Instructions for Disposal/Transfer of Boone County Property
See Special Instructions for Disposal of Computer Equipment Below

1. The *Request for Disposal/Transfer of County Property* is available at S:\All\AUDITOR\Accounting Forms\Fixed Asset Disposal.
2. Use the *Request for Disposal/Transfer of County Property* form whenever county property (tagged or un-tagged) is no longer needed and should be removed from service. This form will initiate the disposal process. Property should not be moved from the original department until this form is completed and submitted. Note: if there is a need to prepare a large “batch” of individual disposal forms, contact the Auditor’s Office to discuss alternative solutions that would be more efficient (for instance, a substitute spreadsheet listing).
3. Requesting Office: complete the top section of the form, providing a detailed description of the property, including condition, serial number (if applicable), and fixed asset tag number (if applicable) and route it to the Auditor’s Office.
4. Auditor’s Office: completes the middle-section and routes the form to the Purchasing Department. (Purchasing is responsible for surplus property disposal for the County.)
5. Purchasing: contacts the requesting department and/or Facilities Maintenance to arrange for removal of the item(s).
6. Purchasing: periodically compiles a listing of surplus property available for transfer to other offices and circulates the list to administrative authorities.

If property is transferred to another office, Purchasing completes the *transfer section* of the ***Request for Disposal/Transfer of County Property*** form and routes it to the Auditor’s Office. The Auditor’s Office updates the fixed asset records to reflect the new location of the item. Purchasing arranges to have the item(s) moved to the new location.

7. Purchasing: obtains approval from the County Commission to dispose of property no longer used by county offices. When a vehicle is surplus, Purchasing notifies the Risk Manager who is responsible for property insurance.
8. County Clerk’s Office: prepares the commission order, completes the bottom section of each form, routes the originals to the Auditor’s Office, and forwards a copy of the commission order with a copy of the commission signed Disposal Form to the Purchasing Office.
9. Vehicles are usually either picked up by the auction company or handled by the office requesting disposal. The office requesting disposal will notify the Auditor’s office once the surplus has been transported to the auction service.
10. Purchasing: reconciles auction reports and remittances to the disposal forms to ensure the county is properly compensated for disposed property. Purchasing sends a copy of the auction reports and Treasurer’s receipt to the Auditor’s Office and the HR Risk Analyst.

11. Auditor's Office: reconciles commission-approved disposal forms to auction reports and cash proceeds and then updates the inventory records to reflect the disposal.

Procedures for Disposal of Computer Equipment

1. Computer equipment is to be removed from inventory only by authorized Court IT or County IT personnel.
2. Court IT and County IT prepare all computer equipment for disposal prior to initiating the disposal process. The respective IT department prepares a ***Request for Disposal/Transfer of County Property Form*** for each equipment item, making appropriate notation regarding the asset's condition (gutted for parts, memory removed, etc.) and forwards the form to the Auditor's Office. Follow steps 4-11 in the previous section to complete computer equipment disposal.
