Commissioner Vogt stated the Missouri Balloon Corporation leases the fairgrounds for the balloon festivals. She is not sure this matter needs to be discussed with them. Does the Fair Board plan to request the \$10,000 the county is authorized to give them?

Commissioner Stamper stated during a work session yesterday, Commissioner Miller was asked to talk to Assistant Columbia City Manager Charlie Hargrove. The commission is not sure what it wants to do or how much of an investment it wants to make in the armory. When the agreement concerning the armory was signed, county offices were located in the Daniel Boone Building, it did not own the Johnson Building and the Building Board of Managers existed. There are many details yet to be worked out.

Mr. Harris asked is that a public process?
