STATE OF MISSOURI }
County of Boone } ea.

December Session of the November Adjourned Term. 1999

In the County Commission of said county, on the 30th day of December 19 99

the following, among other proceedings, were had, viz:

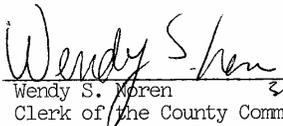

Now on this day the County Commission of the County of Boone does hereby adopt the Boone County operating budget for fiscal year 2000. The adopted budget shall consist of all appropriations included in the Proposed Budget submitted to the County Commission by the County Auditor, subject to the adjustments authorized by the County Commission which are specified in the attached schedule. Total appropriations for each fund are set forth in the Budget Summaries and Fund Balance Projections--FY 2000 which is published in the County's FY 2000 Budget. The Proposed Budget submitted by the County Auditor contains detail documentation for appropriation amounts for each account. Appropriations described in general terms or as miscellaneous shall be expended only for the purposes which are within the intent of the account under which they are included; the County Commission reserves the right to review and disapprove of the expenditure of any such appropriations upon recommendation of the County Auditor and a finding by the Commission that the proposed expenditure is not within the intent of the appropriation for the account as approved under this Budget and any amendments or revisions to it.

In addition, the County Commission authorizes the computations for final salary and wage appropriations for 2000 to reflect the salaries and wages in effect on December 31, 1999 and directs the County Auditor to make such adjustments. Furthermore, the County Commission approves all employee positions included in the Proposed Budget, adjusted for Commission changes noted in the attached schedule, together with the specified range and benefit status for each position. All expenditures made under this budget, as originally adopted, revised or amended, related to personnel hiring, terminations, promotions, and other payments shall be subject to and consistent with the personnel policies adopted by the County Commission, including the future policy amendments and revisions approved by the Commission.

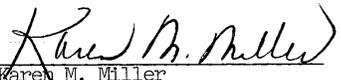

The County Commission also approves appropriations for the specific fixed assets identified in each departmental appropriation and authorizes procurement of the same in accordance with County procurement policies adopted by the County Commission, including future policy amendments and revisions approved by the County Commission.

Revisions to this budget shall be made in accordance with all policies enacted by the County Commission, including policy amendments and revisions approved by the Commission.

Done this 30th day of December, 1999.
