**FINDING OF PUBLIC NUISANCE AND ORDER FOR ABATEMENT**

**NOW** on this 23<sup>rd</sup> day of September 2008, the County Commission of Boone County, Missouri met in regular session and entered the following findings of fact, conclusions of law and order for abatement of nuisance:

**Findings of Fact and Conclusions of Law**

The County Commission finds as fact and concludes as a matter of law the following:

1. The Boone County Code of Health Regulations (the "Code") are officially noticed and are made a part of the record in this proceeding.
2. The City of Columbia/Boone County Health Department administrative record is made a part of the record in this proceeding and incorporated herein by reference. In addition, any live testimony of the official(s) of the department and other interested persons are made a part of the record in this proceeding.
3. A public nuisance exists described as follows: growth of weeds in excess of twelve inches high
4. The location of the public nuisance is as follows: 6010 N. Gregory Drive, Columbia, MO, a/k/a parcel# 12-415-20-01-041.00 01, Gregory Heights, Lot 29, Section 20, Township 49, Range 12 as shown by deed book 0729 page 0950, Boone County
5. The specific violation of the Code is: growth of weeds in excess of twelve inches high in violation of section 6.7 of the Code
6. The Health Director's designated Health Official made the above determination of the existence of the public nuisance at the above location. Notice of that determination and the requirement for abatement was given in accordance with section 6.10.1 of the Code on the 19<sup>th</sup> day of August 2008, to the property owner, occupant, and any other applicable interested persons.
7. The above described public nuisance was not abated. As required by section 6.10.2 of the Code, the property owner, occupant, and any other applicable interested persons were given notice of the hearing conducted this date before the Boone County Commission for an order to abate the above nuisance at government expense with the cost and expense thereof to be charged against the above described property as a special tax bill and added to the real estate taxes for said property for the current year.
8. No credible evidence has been presented at the hearing to demonstrate that no public
