April Session of the January Adjourned

Term. 20

In the County Commission of said county, on the 1<sup>st</sup> day of April 20

the following, among other proceedings, were had, viz:

Now on this day the County Commission of the County of Boone pursuant to Chapter 139 RSMo, does hereby authorize the Boone County Collector, Patricia S. Lensmeyer, for the 2004 tax bill year, to strike from the delinquent tax rolls property tax balances on real estate and personal property as follows:

State	\$	510.03
County	\$	4,237.42
School Districts	\$	82,317.35
Cities	\$	5,017.56
Fire Districts	\$	4,446.24
Library Districts	\$	7,170.90
Surtax	\$	295.24
Common Road	\$	837.45
Centralia Common Road	\$	13.59
Total	\$	<u>104,845.78</u>

These 2004 real estate and personal property taxes are stricken for the following reasons:

- After due diligence, the collector cannot locate the owners and said personal property taxes are beyond the 3 year statutory limitation to file civil action against the owners of record should the owners be located; or
- Bankruptcy or probate proceedings have intervened making the balances due uncollectible; or,
- The real estate property was not subject to taxation after being acquired by a tax exempt owner after January 1 of the taxable year.

The above total of \$104,845.78 breaks out as follows:

- Personal property \$ 99,642.27
- Bankruptcy \$ 2,037.74
- Probate \$ 32.22
- Tax exempt acquisitions \$ 3,133.55

The following tax amounts represent 2003 and prior tax bills that were previously stricken from the delinquent tax rolls in Boone County. The tax amounts were added back to the delinquent tax rolls, and collected and distributed to the taxing entities during the period of March 1, 2009 through February 28, 2010.

**TO:** Commissioners of Boone County

**FROM:** Boone County Sheriff's Department Sergeant Brian Leer

**DATE:** 03/24/10 8:55 AM

**SUBJECT:** Grant Applications for Missouri Department of Transportation

The Boone County Sheriff's Department has been receiving grant money from the Missouri Department of Transportation's Office of Highway Safety for several years. They have funded part of the salaries and benefits for our deputies in the traffic enforcement unit since at least 2006. They have also given us funding for the purchase of traffic enforcement related equipment, overtime costs for traffic enforcement details and traffic related training costs for deputies assigned to the traffic unit. The traffic enforcement details they have funded have included sobriety checkpoints, DWI saturations, and "Operation Slowdown" details. In the 2009-2010 grant year (October-September) they also awarded the Boone County Sheriff's Department money to pay for the overtime associated with doing alcohol compliance checks at businesses in Boone County.

We are wishing to apply for continued grant funding from the Missouri Department of Transportation's Office of Highway Safety for the 2010-2011 grant period, which goes from October 2010 thru September 2011. The grant applications are due by May 3, 2010. We would like to continue to ask for the salaries and benefits for two traffic unit deputies to be funded at 50% through a grant. We would also like to ask for grants to fund the overtime costs of our "Operation Slowdown" enforcement details, our sobriety checkpoints, our DWI saturations, our alcohol compliance checks and for the costs of some related equipment.

As in previous years, one of the requirements for the grant application is the County Commissioners must sign a County Authorization form that is to be submitted with the applications. This form indicates the County Commissioners agree the county should participate in Missouri's Highway Safety program and agree the County Sheriff will investigate the possibilities of attaining financial assistance from the Highway Safety Division. The form also indicates when funding from the Highway Safety Division is no longer available, the local government entity agrees to make a dedicated attempt to continue support for this traffic safety effort.

We are asking for approval to continue applying for grant funding from the Missouri Department of Transportation's Office of Highway Safety for the 2010-2011 grant year. We also ask that if approval is given, the County Authorization form be signed by all Commissioners.

### COUNTY AUTHORIZATION

On April 1, 2010 the County Commission of Boone  
County discussed participation in Missouri's Highway Safety Program.

It is agreed the County should participate in Missouri's Highway Safety Program.  
It is further agreed the County Sheriff will investigate the possibilities of attaining  
financial assistance from the Highway Safety Division.

When funding from the Highway Safety Division is no longer available, the local  
government entity agrees to make a dedicated attempt to continue support for  
this traffic safety effort.

Change Order No.: One (1)

Date: 3/3/2010

Project Location: Country Squire Neighborhood Improvement District

Contractor: Emery Sapp & Sons, Inc..

It is hereby mutually agreed that when this change order has been signed by the contracting parties, the following described changes in the work required by the contract shall be executed by the contractor without changing the terms of the contract except as herein stipulated and agreed.

Purpose of change: Original design required 8" SDR-35 inside of a Seventy foot (70') long, 12" diameter steel casing to be installed under Creasy Springs Road. This change order changes the SDR-35 inside of the steel casing to **8" restrained joint pipe** inside a 14" diameter steel casing.

Description of Changes: (See attached Description of Changes – Change Order 1)

**CONTRACTORS PROPOSAL FOR THE ABOVE DESCRIBED CHANGES:**

I/We hereby agree to the modifications of the contract as described above and agree to furnish all material and labor and perform all work in connection therewith in accordance with the requirements for similar work in existing contract except as otherwise stipulated herein, for the following considerations:

**Contract Amount:** Add to the Contract Amount a total of One Thousand Two Hundred and 50/100 Dollars (\$1,200.50).

### What Makes Certa-Lok Yelomine unique is its self-restraining joint.

Certa-Lok Yelomine pipe, couplings and fittings provide a restrained joint by utilizing precision-machined grooves on the pipe and in the coupling which, when aligned, allow a spline to be inserted, resulting in a fully circumferential restrained joint that locks the pipe and coupling together. A flexible elastomeric seal (O-ring) in the coupling provides a hydraulic pressure seal.

The Certa-Lok joint is fast, simple and reliable, and requires no solvent welding, butt fusion welding, bolting, wrenches, or specialty equipment to assemble. Assembled joints are strong and typically require no thrust blocking.

Certa-Lok Yelomine joints can be easily disassembled, allowing for system changes, extension, movement or reuse of the entire system.

CertainTeed offers a comprehensive line of Certa-Lok Yelomine fittings: change of direction (elbows, sweeps, tees), adapters to other materials, joining systems (flange adapters, threaded adapters, victaulic), service outlets (tapped couplings), and so on.

Certa-Lok Yelomine allows for easy field fabrication. When making field

cuts, it is best to use a PVC pipe cutter to ensure a square cut end. Square cuts are essential to ensure proper alignment. A conventional saw or power saw may be used if a pipe cutter is not available. CertainTeed offers a power routing tool for field fabrication of the pipe groove required on Certa-Lok Yelomine. For cutting and grooving instructions, see 40-90-43, "Certa-Lok Yelomine Specifications and Dimensions."

# CERTA-LOK YELOMINE

## Fundamental Features and Advantages

**Impact Strength**  
Certa-Lok Yelomine greatly exceeds the impact strength of conventional PVC. Impact strength tests are regularly made on the product in accordance with ASTM standard test method D 2444. Average impact values are up to five times greater than the impact resistance of conventional PVC pipe.

### Certain-Tech Impact Production Specifications

PIPE SIZE	Impact Strength (ft.-lb.)				SIZ. PIPE (ALL SIZES)
	SDR 26	SDR 35	SDR 41	SDR 47	
2"	---	---	---	170	90
3"	---	---	---	245	90
4"	---	210	265	320	90
6"	280	305	380	470	120
8"	500	400	495	610	160
10"	580	600	630	---	160
12"	400	500	530	---	160

**NSF Approved**  
Yelomine is designed and manufactured in accordance with ASTM D2241. 2" through 16" PVC pipe and couplings up to Class 250 are listed in NSF Standard 14, "Plastic Piping System Components and Related Materials" for performance. All other products have a potable water listing in accordance with NSF61.

**PVC Temperature Service Factor**  
All pressure ratings for PVC pipe are determined in a water environment of 73.4°F (±3.6°F). As the temperature of the environment increases, PVC pipe becomes more ductile. This can be represented by graphs that show that the impact strength increases and the tensile strength decreases as the temperature rises. Because of this effect, the pressure rating of the pipe must be decreased to allow for safe operation of the line at elevated temperatures.

PVC Pipe Pressure Ratings for temperatures from 73.4°F to 140°F (For pressure rating at a temperature above 73.4°F, multiply the rating at 73.4°F by the corresponding service factor from the graph).

**Non-Corrosive/ Chemical Resistant**  
Certa-Lok Yelomine is an excellent product for harsh environments. The inherent properties of PVC provide a product that is a non-conductor, which will not rust or corrode. Certa-Lok Yelomine is a product that does not require any cathodic protection, coating, wraps or other corrosion protection. PVC is extremely resistant to acids and most chemicals, and is unaffected by "hot" (aggressive) soils. Certa-Lok Yelomine has outstanding resistance to scale and scale build up. And, if necessary, it can be cleaned by pigging the line.

Special spines and O-rings may be required in either extremely acidic applications or hydrocarbon environments.

**High Flow Rate**  
Certa-Lok Yelomine offers a smooth, non-wettable interior surface that accounts for a Hazen-Williams flow coefficient of C=150.

**Light Weight**  
Two-inch Certa-Lok Yelomine weighs less than one pound per foot. 12" diameter (SDR 26) weighs only 15 pounds per foot. This means most pipe sizes can be easily handled manually, even in 20' lengths, thus eliminating the need for heavy lifting equipment, and providing the ability to get into hard-to-reach areas like those found in coal mines and tunnels.

## CHAPTER IX

### FOOD CODE

- 9.1 **Purpose** - These regulations are enacted for the purpose of enhancing the public health by preventing, reporting, controlling, treating and eliminating food borne illnesses and dangerous diseases and for that purpose they are intended to adopt Chapters 1 through 8, inclusive, of the City of Columbia, Missouri Food Code effective as of the date this Chapter is adopted by the County Commission of Boone County.
- 9.2 **Statutory Authority and Incorporation of Certain Regulations by Reference**- These regulations are enacted under authority vested in the County Commission of Boone County, Missouri by section 192.300 RSMo. Chapters 1 through 8 of the “City of Columbia, Missouri, Food Code” adopted by the city council of the City of Columbia on January 16, 2001, as amended and effective as of the date this Chapter is adopted by the County Commission, is hereby adopted and shall be called the “Boone County Food Code” and is hereby incorporated by reference as if fully set forth herein verbatim except as modified by section 9.4 below.
- 9.3 **Definitions** - As used in this chapter, unless the context clearly indicates otherwise, the definitions found in Chapter I of this Code shall be applicable to this chapter and the following words and terms shall have the following special meanings:
- 9.3.1 **Health Director or Director** - The Health Director shall be the “regulatory authority” as the term is used in the Boone County Food Code. The Health Director shall generally supervise the administration of this chapter. As used in this chapter, the term Health Director or Director shall also include any person to whom the Director has delegated the performance of any duties required of the Health Director under this chapter. A Health Director also may be specially appointed if ordered by the Boone

County Commission under circumstances reasonably requiring such appointment. In the absence of special appointment and designation, the Health Director shall be the acting or permanent director of the Columbia/Boone County Health Department.

9.3.2 **Regulatory Authority** – The Health Director of the Columbia/Boone County Health Department.

9.4 **Modifications to Food Code** – For purposes of the Boone County Food Code, the following modifications shall be made to the “City of Columbia, Missouri, Food Code” adopted by the city council of the City of Columbia on January 16, 2001:

9.4.1 **Deletions to Code** - Chapter 8-304.30 dealing with food service worker certificates and related training, and certificates is deleted in its entirety. All other references in the Boone County Food Code to Chapter 8-304.30 or parts thereof are further deleted.

9.4.2 **Deletion and Substitution to Code** – Chapter 8-302.14 is deleted and the following is substituted:

8-302.14      **Contents of the Application.**

The application shall include:

(A) The name, birth date, mailing address, telephone number, and signature of the person applying for the permit and the name, mailing address, and location of the food establishment;

(B) Information specifying whether the food establishment is owned by an association, corporation, individual, partnership, or other legal entity;

(C) A statement specifying whether the food establishment:

(1) Is mobile or stationary and temporary or permanent, and

(2) Is an operation that includes one or more of the following:

(a) A Category 1 establishment defined as:

A business that prepares only food that is not potentially hazardous, and does not prepare, but offers for sale only prepackaged food that is potentially hazardous

(b) A category 2 establishment defined as:

A business that prepares, offers for sale, or serves potentially hazardous food only to order upon a consumer's request.

(c) A category 3 establishment defined as:

A business that prepares potentially hazardous food in advance using a food preparation method that involves two or more steps which may include combining potentially hazardous ingredients; cooking; cooling; reheating; hot or cold holding; freezing; or thawing; Prepares food for delivery to and consumption at a location off the premises of the food establishment where it is prepared,

(d) Prepares food under (C)(2)(b) of this section for service to a highly susceptible population.

(D) The name, title, address, and telephone number of the person directly responsible for the food establishment;

(E) The name, title, address, and telephone number of the person who functions as the immediate supervisor of the person specified under 8-302.14(D) of this section such as the zone, district, or regional supervisor;

(F) The names, titles, and addresses of:

(1) The persons comprising the legal ownership as specified under (A) & (B) of this section including the owners and officers, and

(2) The local resident agent if one is required based on the type of legal ownership;

(G) A statement signed by the applicant that:

(1) Attests to the accuracy of the information provided in the application, and

(2) Affirms that the applicant will:

(a) Comply with this Code, and

(b) Allow the regulatory authority access to the establishment as specified under § 8-402.11 and to the records specified under §§ 3-203.12 and 5-205.13 and Subparagraph 8-201.14(D)(6); and

(H) Other information required by the regulatory authority.

- 9.5 **Compliance Required** - It shall be unlawful for any person to violate any provision of these regulations or any directive issued by the Health Director or Health Department made for the purpose of implementing any section or provision of these regulations. It shall be unlawful to conduct any food operation required to have a permit by virtue of these regulations without first having obtained said permit.
- 9.6 **Enforcement** - The Health Director is hereby authorized to seek the assistance of the circuit court in enforcement of these regulations, as necessary to protect the public health, including obtaining issuance of restraining orders and other orders of injunction, and other equitable remedy as may be necessary and appropriate under the circumstances.
- 9.7 **Interpretation and Severability:** The regulations enacted under this chapter are intended to be supplementary to other provisions or remedies authorized or prescribed by law or rule or regulation enacted thereunder. The invalidity of any particular regulation enacted herein shall not affect the validity of any other provision and all regulations hereunder shall be construed as consistently and harmoniously as possible with each other and other applicable provisions of law. In the event of conflict between any regulation contained herein and any other rule, regulations or law, the provision more protective of the public health shall apply; provided, however, that in the event of irreconcilable conflict between any provision of these regulations and rules or regulations enacted by the Department of Health under Chapter 192 RSMo, or the Department of Social Services under Chapter 198 RSMo, the rules or regulations enacted by those departments under those chapters shall prevail. These regulations also shall be liberally construed to the fullest extent permitted by law to effectuate the broad remedial purposes for which they are intended.

9.8 **Jurisdiction** - The regulations contained in this chapter shall be applicable to all incorporated areas in Boone County, Missouri, unless said incorporated area now has, or shall hereafter have, a population of seventy-five thousand or greater and which are maintaining organized health departments, and all unincorporated areas within Boone County, Missouri.

9.9 **Penalties and Remedies** - Any person who violates any requirement or provision of this Code shall be deemed guilty of a misdemeanor and shall be punished as provided section 192.300, RSMo, or as otherwise provided by law. Every person who commits, attempts to commit, conspires to commit, or aids or abets in the commission of any act declared herein to be unlawful, whether individually or in connection with one or more other persons or as principal, agent or accessory, shall be guilty of such unlawful act, and every person who falsely, fraudulently, forcibly or willfully induces, causes, coerces, requires, permits or directs another to violate any provision hereof shall likewise be guilty. Every day any violation of any regulation of this Code shall continue shall constitute a separate offense unless otherwise specifically provided herein. The penal remedy provided herein shall not be exclusive and the Health Director or any health official may seek and obtain in their own name or in the name of the County any other judicial relief provided for in equity or at law, including but not limited to imposition of civil fines for violations of this Code as provided for in section 49.272, RSMo, and such other declaratory and injunctive relief as may be appropriate under the circumstances. Provided, however, the failure of the Health Director or Department to enforce any provision of these regulations, or to perform any duty prescribed for them hereunder, shall not itself not constitute a violation of these regulations, nor is any regulation in this chapter intended to create any legal responsibility or give rise to any legal liability on the part of the Health Director or

Department to the benefit of any person who is or claims to be affected by any such failure or nonperformance. Except as otherwise provided by law, any judicial review of the actions taken by the Health Director or Department under authority of this chapter shall be as provided in chapter 536 RSMo.

9.10 **Fees** – The County Commission has the authority to establish reasonable fees to pay for the costs incurred in carrying out the terms of the Boone County Food Code pursuant to Section 192.300 RSMo. Those required to have a permit under this Chapter must prepare and submit an annual application on forms to be provided by the Boone County Health Department. For gross receipt purposes, all gross revenues not related to food shall be subtracted from the gross receipts figure used for this application. Fees shall be assessed according to the following fee schedule:

RISK→ GROSS RECEIPTS ↓	LOW RISK	MEDIUM RISK	HIGH RISK
(0) < \$250,000	\$100	\$150	\$200
\$250,000 - \$750,000	\$150	\$200	\$250
>\$750,000	\$200	\$250	\$300

Notwithstanding this section authorizing fees, there will be no fees charged for recognized community festivals and not-for-profits entities, such as churches, for any required temporary food permits for said entities, which are defined as food permits for a recognized community festival or not-for-profit operation that is conducted in a mobile, stationary, temporary, or permanent facility or location; where consumption is on or off the premises; and regardless of whether there is a charge for the food; that operates for no more than 14 consecutive days as part of an organized event or festival.
