Glossary

Accounting Period-A period at the end of which, and for which, financial statements are prepared. See also Fiscal Period.

Accounting System-The total structure of records and procedures that identify, record, classify, and report information on the financial position and operations of a governmental entity or any of its funds.

Accrual Basis—A basis of accounting in which transactions are recognized at the time they are incurred, as opposed to when cash is received or spent.

Accrue-To record revenues when earned and to record expenditures (or expenses) as soon as they result in a liability for benefits received, even though the cash receipt or cash disbursement may not take place, in whole or part, until a later accounting period.

Ad Valorem Tax–A tax in proportion to value. A tax levied on the assessed value of real and personal property, also known as property tax.

Adoption–Formal process by which a final budget is approved by the governing body.

Agency Fund-A fund consisting of resources received and held by the governmental unit as an agent for others; for example, property taxes collected and held by the County on behalf of the various taxing jurisdictions within the County.

Appropriation–Expenditure authority approved by the governing body with specific limitations as to amount, purpose, and time.

Assessed Valuation—The official value placed on real estate, personal property, and utilities as a basis for levying taxes. The value is determined by applying a factor to the appraised value, depending on property classification.

Assessment Ratio—The ratio at which the tax rate is applied to the tax base.

Authorized Positions—Employee positions, which are authorized in the adopted budget, to be filled during the year.

Available (Unreserved and Undesignated) Fund Balance—This refers to the funds remaining from the prior year(s) which are available for appropriation and expenditure in the current year.

Bond–Mechanism for long-term borrowing of funds. The County uses bonds as a means of borrowing money to finance large capital projects. Lenders (purchasers of the bonds) are repaid principal and accrued interest in semiannual installments.

Bond-- General Obligation (GO) Bond—This type of bond is backed by the full faith, credit and taxing power of the government. Principle and interest payments are generally paid from property taxes levied specifically for this purpose.

Bond-- Revenue Bond-This type of bond is backed only by the revenues from a specific enterprise or project, such as a hospital or toll road.

Budget—A plan of financial operation including an estimate of proposed revenue and expenditures for a given period. Formal budgets constitute a legal spending limit for local governments in Missouri. They are the means by which most government activities are controlled.

Budget Amendment–Legal means by which an adopted budget may be increased. The process involves the same legal steps as the original adoption of the budget.

Budget Revision—Authorization to reallocate existing budgetary resources between classes within a given department or to reallocate existing budgetary resources between departments.

Budget Timetable (or Budget Calendar)—The schedule of key dates which a government follows in the preparation and adoption of the budget.

Budgetary Control—The control or management of a government in accordance with the approved budget for the purpose of keeping expenditures within the limitations of available appropriations and resources.

Budgetary Resources-A term that includes new budgetary authority for the period plus un-obligated budgetary authority carried over from the prior period

CAFR-Comprehensive Annual Financial Report.

Capital Budget—A one-year budget approved by the County Commission for improvements to facilities (land, building, and equipment) and infrastructure (roads and drainage structures). It prioritizes projects and allocates necessary resources.

Capital Improvement–Expenditures related to the acquisition, expansion or rehabilitation of an element of the government's physical plant (land, building, or equipment) or infrastructure (roads and drainage structures).

Capital Improvement Program (CIP)—A plan for capital outlay to be incurred each year over a fixed number of years to meet capital needs arising from the government's long-term needs.

Capitalization-recognizing an outlay or expenditure as a capital investment in a long-lived asset which is to be depreciated over the assets expected useful life rather than expensed in full in the current account period.

Capital Outlay

(Class "9")–Fixed assets which have a value of \$1,000 or more and have a useful economic lifetime of more than one year; or, assets of any value if the nature of the item is such that it must be controlled for custody purposes as a fixed asset. Examples include vehicles, equipment, furniture, land, buildings, etc.

Capital Project–Major construction, acquisition, or renovation activities which add value to a government's physical or capital assets or significantly increase their useful life. Also called capital improvements.

Capital Project Fund-A governmental fund used to account for the revenues and expenditures associated with acquisition, construction, or renovation of specific assets.

CART–County Aid Road Trust. This is a state-administered fund which accounts for the portion of the state's motor fuel tax that is allocated and distributed to counties.

CHAS-CH Allied Services, Inc. (lessee of Boone Hospital Center)

Component Unit-a designation established by the Governmental Accounting Standards Board used to identify entities that are financially accountable to another governmental entity or there is the potential for an entity to provide specific benefits or impose certain financial burdens on the governing entity. Entities that meet the established criteria as a component unit must be included as part of the reporting entity for the governmental entity.

Comprehensive Annual Financial Report (CAFR)-A governmental entity's official annual report prepared and published as a matter of public record. In addition to the required financial statements, the CAFR contains introductory material, schedules to demonstrate legal compliance, and statistical tables specified by the GASB.

Contractual Services—Services rendered to a government by private firms, individuals, or other governmental agencies. Examples include utilities, rent, maintenance agreements, and professional consulting services.

Cost-of living Adjustment (COLA)—An increase in salaries to offset the adverse effect of inflation on compensation.

CPI–Consumer Price Index

Current Assets-Those assets that are available or can be made readily available to meet the cost of operations or to pay current liabilities. Examples include cash, temporary investments, and taxes receivable.

Current Liabilities-Liabilities payable within a relatively short period of time, usually no longer than a year.

Debt Limit-The maximum amount of gross or net debt that is legally permitted.

Debt Margin-The difference between the amount of the debt limit and the net amount of outstanding indebtedness subject to the limitation; i.e., the amount of additional debt that can be incurred by a governmental entity and still remain compliant with the debt limit.

Debt Service–Payments of interest and repayment of principal on borrowed money.

Debt Service Fund-A governmental fund used to finance and account for payment of principle and interest on tax-supported (general obligation) debt and special assessment debt.

Department—The basic County organizational unit, functionally unique in delivery of services.

Depreciation-The systematic allocation of a capital or fixed asset's historical cost to the future periods benefited by the asset's use. For example: a vehicle costing \$20,000 and having an estimated useful life of 5 years and an estimated re-sell value of \$5,000 at the end of 5 years, will have annual depreciation of \$3,000.

Distinguished Budget Presentation Awards Program—A voluntary awards program administered by the Government Finance Officers Association to encourage governments to prepare effective budget documents.

Employee (or Fringe) Benefits—Contributions made by a government to meet commitments or obligations for employee fringe benefits. Included are the government's share for Social Security and the various pension, medical, dental, disability, and life insurance plans.

Encumbrance–A commitment of appropriated funds to purchase an item or service, though actual disbursement has not yet occurred. To encumber funds means to set aside or commit funds for a specified future expenditure.

Enterprise Fund-A fund established to finance and account for the acquisition, operation, and maintenance of governmental facilities and services that are entirely or predominantly self-supporting by user charges (for instance, a governmental utility).

Expenditure—An outlay of cash or the incurrence of a liability for the purpose of acquiring an asset, service, or settling a loss.

Expenditure Class–A grouping of similar expenditures. Expenditure classes and their respective Boone County line item code prefixes are fully described in the "Description of the Accounting and Budgeting Systems" section.

Fiduciary Fund-Funds that are used to account for assets held by the County in a trustee capacity or as an agent for individuals, private organizations, or other governmental units.

Fiscal Policy—A government's policies with respect to revenues, spending, and debt management as these relate to government services, programs, an capital investment. Fiscal policy provides and agreed-upon set of principles for the planning and programming of government budgets and their funding.

Fiscal Period or Fiscal Year—A twelve-month period designated as the operating year for accounting and budgeting purposes in an organization. The County's fiscal year coincides with the calendar year.

Fixed Asset–Assets of long-term character that are intended to continue to be held or used, such as land, buildings, machinery, furniture, and other equipment.

Franchise Agreement-An agreement between a governing body and a particular business operator, whereby the business operator is granted authority to operate within the boundaries of the political subdivision in exchange for the performance of certain actions and/or the payment of specified fees (tax).

Franchise Tax-the tax paid by a business operator (franchisee) to the franchise grantor (governing body).

Full Accrual Basis of Accounting-The basis of accounting that recognizes revenues when earned and expenses when incurred, regardless of the timing of collection of the revenues or the payment of the expense.

Full Faith and Credit-A pledge of the general taxing power for the payment of debt obligations. Bonds carrying such pledges are usually referred to as General Obligation Bonds.

Full-Time Equivalent (FTE)—A method of quantifying staffing levels. Part-time positions count as less than one FTE, where full-time is based on 2080 hours.

Function-A group of related activities aimed at accomplishing a major service or responsibility for which the government is responsible. (For instance, Law Enforcement or Public Health and Welfare)

Fund–An accounting entity for recording expenditures and revenues, comparable to a separate bank account. Funds are established to account for specific activities, subject to special limitations. The County maintains numerous funds, each required for a specific purpose. A detailed description of the County's funds is contained in the "Description of the Accounting and Budgeting System" section.

Fund Accounting-An accounting system organized on the basis of funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues, and expenditures (or expenses), as appropriate.

Fund Balance—The excess of a fund's assets over its liabilities which is *available for appropriation*.

Fund Equity—The excess of a fund's assets over its liabilities. Portions of Fund Equity may be *reserved* and are therefore not available for appropriation.

Fund Type-A classification of funds that are similar in purpose and character. For instance, special revenue fund type or capital project fund type.

GAAP–Generally Accepted Accounting Principles. Uniform minimum standards for financial accounting and recording, encompassing the conventions, rules, and procedures that define accepted accounting principles.

GASB-Governmental Accounting Standards Board, the authoritative standard-setting body for governmental accounting and reporting.

GASB 34-Refers to a particular pronouncement, statement number 34, issued by the GASB. This particular statement contains broad and sweeping changes for governmental financial reporting.

General Fund or General Revenue Fund-A fund used to account for all transactions of a governmental entity that are not accounted for in another fund. The General Fund is the primary operating fund for the County and is used to account for the basic operations of the County that are financed from all of the general taxes and revenues collected by the County. Operations funded in the General Fund are frequently augmented with resources accounted for in a special revenue fund. For instance, law enforcement services are primarily financed with appropriations from the General Fund, but are supplemented with appropriations from the Sheriff's Training Fund (a special revenue fund).

General Obligation Bonds-Bonds for whose payment the full faith and credit of the issuing government is pledged. Generally, such bonds must be authorized through an election process and are usually retired with property tax revenues.

GFOA-Government Finance Officers Association

Goal–A statement of broad direction, purpose or intent based on the needs of the community. A goal is general and timeless.

Governmental Fund-A generic classification used by the GASB to refer to all funds other than proprietary and fiduciary funds. The General Fund, special revenue funds, capital projects funds, and debt service funds are the types of funds referred to as governmental funds.

Grant–A contribution by a government or other organization to support a particular function or purpose.

HAVA- Help Americans Vote Act

Infrastructure Assets-Refers to roads, bridges, curbs, gutters, streets, drainage systems installed for the common good.

Inter-fund Transfers—The movement of moneys between funds of the same governmental entity.

Intergovernmental Revenue—Funds received from federal, state and other local government sources in the form of grants, shared revenues, and payments in lieu of taxes.

Internal Service Charge—The charges to user departments for internal services provided by another government agency, such as insurance, facilities maintenance, or housekeeping.

Internal Service Fund-A fund established to finance and account for services and/or commodities furnished by a particular department or agency to other departments and agencies within the same governmental entity. The costs of such services or commodities is covered through internal service charges or transfers from other funds.

Levy–(noun) The total amount of taxes or assessments imposed by a governmental entity. The property tax levy is usually expressed as a rate equivalent to one-hundredth of a dollar and it is applied against assessed value. For instance, a \$.12 levy represents a tax of \$.12 per \$100 of assessed valuation. (verb) To impose taxes, special assessments, or a service charges for the operation of a governmental entity.

Line Item—The most detailed unit of budgetary expenditures listed in the Boone County Budgets. Line items are tracked by five-digit "object codes;" the first digit represents the expenditure category. For example, in the 10100 object code for the Salaries and Wages Line Item, "1" denotes the Personal Services expenditure category. For a more detailed description, refer to the "Description of the Accounting and Budgeting Systems" section.

Long-term Debt-Debt with a maturity of more than one year after the date of issuance.

Measurable and Available-a criteria established for purposes of recognizing (recording) revenues for financial purposes in governmental funds, according to the requirements of modified accrual accounting. "Measurable" refers to the ability to quantify the revenue and "available" is defined as collectible within the current period or soon enough thereafter to be used to pay the liabilities of the current period. For Boone County, "available" is generally 60 days after the close of the fiscal year, except for government grants, which is 270 days after the close of the fiscal year.

Modified Accrual Basis of Accounting-The basis of accounting whereby revenues are recognized in the period in which they become measurable and available, and expenditures are recognized at the time a liability is incurred in accordance with appropriation authority.

MODOT–Missouri Department of Transportation

NID-Neighborhood Improvement District. A NID is a specifically defined geographic area created for the purpose of financing and constructing an approved capital project and recovering the cost of the improvement from the property owners within the boundaries of the district.

Non-expendable Trust Fund-A fund for which the principle (and sometimes the investment earnings as well) may not be expended.

Object-As used in expenditure classification, this term applies to the article purchased or the service obtained. Examples are personal services, supplies, training, or contractual services.

Object Classification-A grouping of expenditures on the basis of goods or services purchased, for example, personal services, supplies, training, or contractual services.

Operating Budget-A budget that applies to all outlays other than capital outlays.

Other Financing Sources-An operating statement classification in which financial inflows other than revenues are reported, for example, proceeds of long-term debt or operating transfers-in.

Other Financing Uses-An operating statement classification in which financial outflows other than expenditures are reported, for example, operating transfers-out.

Performance Measures–A quantitative means of assessing the efficiency and effectiveness of government services.

Personal Services–Expenditures for salaries, wages, and fringe benefits of a government's employees.

Prior-Year Encumbrances—Obligations from a previous fiscal year in the form of purchase orders or contract commitments which are chargeable to an appropriation, and for which a part of the appropriation is reserved. They cease to be encumbrances when the obligations are paid or otherwise terminated.

Private Purpose Trust Fund-A fund used to account for trust arrangements under which principal and income benefit individuals, private organizations, or other governments.

Property Taxes-Taxes levied by a legislative body against agricultural, commercial, residential, or personal property pursuant to law and in proportion to the assessed valuation of such property. See Ad Valorem.

Proprietary Funds-Funds that are used to account for activities that are similar to those found in the private sector. Examples include internal service funds and enterprise funds.

Publication—A legal step toward formal budget adoption. The public must be notified of budget proposals via local print media.

Recognized (Recorded)-The act of recording an event or transaction for accounting purposes. For instance, an unrecognized gain on the trade-in of equipment is an unrecorded gain.

RSMo-Revised Statutes of Missouri

Reserves—That portion of Fund Equity which has been set aside for a specific purpose and is *not available for appropriation*. Boone County establishes reserves for things such as prior year encumbrances and cumulative unspent Use Tax Revenues which may need to be repaid upon final disposition of court proceedings.

Reserve for Encumbrances-A segregation of a portion of fund equity in the amount of encumbrances outstanding. See also Reserves.

Resources—Total amounts available for appropriation including estimated revenues, fund transfers, and beginning balances.

Revenue–A source of income to finance government operations.

Revenue Bonds-Bonds that are not backed by the full faith and credit of a governmental entity (i.e., revenues to meet future principal and interest obligations may not be raised through the levying of a property tax). Instead, future principal and interest payments are paid from the revenue generated from the acquisition or construction of the asset for which the bonds were issued. For example: principle and interest payments for revenue bonds issued to construct a utility will be paid from the future revenues derived from the operations of the utility.

Revenue Class–A grouping of similar revenues. Revenue classes used in Boone County budget system are fully described in the "Description of the Accounting and Budgeting Systems" section.

Self-insured-The decision and action of a local government to manage certain elements of risk by accumulating resources to pay for various claims rather than managing risk through the purchase of external insurance policies.

Short-term Debt-Debt with a maturity of one year or less after the date of issuance. For instance, see Tax Anticipation Notes.

Source of Revenue—Revenues are classified according to their source or point of origin.

Special Assessment-A compulsory levy made against certain properties to recover part or all of the cost of a specific improvement.

Special Assessment Debt or Bonds-Bonds that are to be retired from the proceeds of one or more Special Assessments.

Special Obligation Bond-Bonds that are not backed by the full faith and credit of the governmental entity (i.e., revenues to meet future principal and interest obligations may not be raised through the levying of a property tax). Instead, the principle and interest are paid from annual appropriations from existing revenue sources.

Special Revenue Fund-A fund used to account for revenues from specific taxes or other earmarked revenue sources that by law (or local policy) are designated to finance particular functions or activities of government.

Statute-A written law enacted by a duly organized and constituted legislative body.

Supplemental Appropriation—An additional appropriation made by the governing body after the budget year has started.

Tax Anticipation Notes-Notes (borrowing) issued in anticipation of collection of taxes, usually retirable only from tax collections, and frequently only from the proceeds of the tax levy whose collection they anticipate.

Tax Ceiling—Also referred to as the Tax Lid. Missouri laws limit the amount of property tax that may be levied for specific government functions.

Tax Levy—The resultant product when the tax rate per one hundred dollars is multiplied by the tax base. See also Levy.

Tax Rate-The amount of tax stated in terms of a unity of the tax base.

Tax Year—The calendar year in which ad valorem taxes are levied to finance the ending calendar year budget. For example, taxes levied in 1998 are due and payable on or before December 31, 1998 and are available for financing the budget year also ending December 31, 1998.

Taxes-Compulsory charges levied by a governmental unit for the purpose of financing services performed for the common benefit of citizens. (Note: the term does not refer to specific charges made against a person or property for specific benefits, such as special assessments nor does it refer to charges for services such as for utilities.)

Transfers In/Out-Amounts transferred from one fund to another to assist in financing the services for the recipient fund.

Trust Fund-A fund consisting of resources received and held by the governmental entity as a trustee, to be expended or invested in accordance with the terms and conditions of the trust.

Unencumbered Balance—The amount of an appropriation that is neither expended nor encumbered. It is the amount of money that is still available for future purposes.

Unreserved (and Undesignated) Fund Balance—The portion of a fund's balance that is not restricted for a specific purpose and is available for general appropriation.
