**Date:** March 17, 2003  
**To:** David Mink  
**From:** David Nichols *[Signature]*  
**Subject:** Durk Road Agreements

---

Enclosed are the Ownership and Maintenance Agreement and the Quitclaim Documents to be executed with Callaway County for the replacement of the Durk Road Bridge. John Patton recommended we get these documents approved and then enter into a new agreement over splitting the costs of the bridge construction once we have a more firm breakdown from Callaway County. Right now all I have is an estimate in an Email from Paul Winkelmann of approximately \$75,000. John felt we needed to separate the ownership documents from the construction agreement.
