Developer authorizes County to cash the corporate surety bond contemplated herein upon written instructions from the duly elected and serving Treasurer of Boone County without further authorization or signature required by Developer. In the event Developer fulfills its obligations in the time and manner required by this agreement and obtains a satisfactory final inspection from the County prior to February 1, 2026, then County shall provide Developer with written proof that the requirements of this Security Agreement are satisfied, and the Cash Deposit can be released to Developer. If no written proof has been provided to the financial institution issuing Cash Deposit that Developer has complied with the requirements of this Agreement, however, then the financial institution shall, on February 1, 2026, or such extended period as mutually-agreed by the parties in writing, shall immediately transfer the balance of the Cash Deposit to the account then-designated by the Boone County Treasurer. In the event that Developer does not deposit the additional monies with the County within ten (10) days, the Developer shall be deemed in default of this Agreement.
7. **Remedies Cumulative** – Exercise or waiver by the County of any enforcement action under this Agreement does not waive or foreclose any other or subsequent enforcement action whatsoever. The County shall be entitled to its costs, including reasonable attorneys' fees, in enforcement of Developer's obligations under this Agreement.

RE: Recommendation for Stop Sign Installation
Reams Road at Rob Cook Road and Zaring Road at Rob Cook Road

Commissioners,

I conducted a site visit at the four-way intersection of Rob Cook Road, Reams Road, Zaring Road, and Durk Road based on a phone call from a concerned citizen. The intersection is located northeast of Columbia and is approximately 0.77 miles east of the Route Z and Route HH intersection. Rob Cook Road and Durk Road are oriented east-west and Reams Road and Zaring Road are oriented north-south as shown on the attached sketch.

The intersection is currently controlled by yield signs on the Reams Road approach leg and on the Zaring Road approach leg. The Rob Cook Road and Durk Road approach legs are uncontrolled. Average daily traffic (ADT) counts for Rob Cook Road, Reams Road, Zaring Road, and Durk Road are 296, 108, 86, and 83 respectively. All four roads are posted at a 35 MPH speed limit.

Site distance is limited at the northwest and southwest corners of the intersection due to trees on private property and a slight embankment. AASHTO design guidelines recommend a sight distance triangle with 140' minimum leg lengths for low volume intersections posted at 35 MPH. The sight distance leg lengths for Reams Road and Zaring Road are below the minimum.

I recommend replacing the existing yield signs (R1-2) on Reams Road and Zaring Road with stop signs (R1-1) based on the limited sight distance and current traffic volume.

**COOPERATIVE AGREEMENT
FOR K-9 BASIC TRAINING SERVICES**

THIS AGREEMENT dated the 9th day of May, 2024, is entered into by and between Boone County, Missouri (County), by and through the Boone County Sheriff's Office (BCSO), and the O'Fallon Police Department (Agency):

WHEREAS, BCSO can provide K-9 basic training through its certified K-9 training staff; and

WHEREAS, BCSO can assist Agency in selecting a canine for purchase from an approved vendor to receive the training; and

WHEREAS, Agency desires to procure a canine to receive training from a vendor approved by County and train one of Agency's officers as that canine's handler through the BCSO's K-9 basic training program; and

WHEREAS, County and Agency have the authority to cooperate with each other for the purposes of this Agreement pursuant to RSMo §70.220;

NOW, THEREFORE, it is agreed by and between the parties as follows:

1. **ASSISTANCE WITH PROCUREMENT OF CANINE.** County's K-9 trainer will provide advice on the selection of an appropriate canine from a vendor approved by County. The approved vendor will provide a minimum of a 6-month trainability guarantee and a 1-year health guarantee on a purchased canine that will run to the benefit of Agency. County will provide Agency with information about approved vendors.
2. **TRAINING.** BCSO agrees to provide Agency's K-9 handler and canine basic training by and through BCSO's certified staff. Training areas will include obedience, tracking, area search, article search, building search, and narcotics detection with respect to cocaine, heroin, and methamphetamines. The training shall consist of not less than forty (40) sessions, with each session consisting of approximately one, 8-hour day. The training will be conducted over a period of eight (8) weeks, Monday – Friday, in regularly-scheduled sessions during that 8-week period. Agency will receive a certificate documenting successful completion of the BCSO's program if the K-9 team meets the standards and requirements of the Missouri Police Canine Association at the conclusion of the training contemplated herein.
3. **EMPLOYED STATUS OF K-9 HANDLER.** Agency agrees that the training contemplated herein is within the scope and course of its handler's employment and Agency will be responsible for all appropriate compensation and the provision of Worker's Compensation coverage to Agency's employee. Agency's handler will execute a Waiver & Release as set out in the attached Exhibit "A" prior to being permitted to participate in the training.
4. **CONTRACT PRICE AND PAYMENT.** Agency shall pay County a total sum of Four Thousand Dollars (\$4,000.00) for the training contemplated herein, calculated at a rate of \$100.00/session. Agency may pay the full amount upon execution of this contract or, at Agency's option, Agency shall pay one-half, or \$2,000.00, upon execution of this contract and the remaining one-half, or \$2,000.00, after twenty (20) sessions have been completed.
5. **TERM AND TERMINATION.** The Agreement contemplates training sessions to commence on or about the 19th day of February, 2024, and sessions will proceed consecutively, Monday –

Friday, for a period of eight (8) weeks as scheduled by County. Either party may terminate this Agreement at any time by providing the other written notice of their intent to terminate. Upon termination for convenience by either party, the parties will reconcile the payments paid and/or due based on the number of sessions attended at the rate of \$100.00 per session (with each session being approximately one, 8-hour day).

6. **MODIFICATION AND WAIVER.** No modification or waiver of any provision of this Agreement nor consent to any departure therefrom, shall in any event be effective, unless the same shall be in writing and signed by County and Agency and then such modification, waiver or consent shall be effective only in the specific instance and for the specific purpose for which mutually agreed.
7. **FUTURE COOPERATION.** The parties agree to fully cooperate with each other to give full force and effect to the terms and intent of this Agreement.
8. **ENTIRE AGREEMENT.** The parties state that this document contains the entire agreement between the parties, and there are no other oral, written, express or implied promises, agreements, representations or inducements not specified herein.
