Ground Rules (*Adapted from University of Michigan Guidelines for Discussing Difficult or High Stakes Topics*)

- Listen respectfully.
- Listen actively and with an ear to ‘understanding others’ views.
- Discuss ideas.
- Commit to learning, not debating. Comment to share information, not to persuade.
- Avoid blame, speculation, and inflammatory language.
- Allow everyone the chance to speak if they choose to do so.
- Avoid assumptions about any member of a social group. Do not ask individuals to speak for their (perceived) social group.
